

7 burglaries in 12 months alleged but probation not revoked

Following is the crime-related case history of the past year in the life of a local resident:

MARCH 25, 1975 — A year ago today, Granite City police responded to a burglary alarm at a church and said they found a Kirkpatrick Homes man, then 25 years old, hiding in a closet. Charged with burglary, he was released the same day on his own recognizance without having to post a bond.

APRIL 1, 1975 — The Richard Womack apartment in the 2200 block of State Street was

burglarized.

APRIL 11, 1975 — The Kirkpatrick man was bound over to a Madison County grand jury on the church case.

MID-APRIL, 1975 — He was indicted for the church burglary by a grand jury.

MAY 5, 1975 — He pleaded guilty to a reduced charge of criminal damage to property in the March 25 occurrence. He was sentenced to serve one year of conditional discharge, a type of probation in which the individual does not report to a probation officer.

OCTOBER 12, 1975 — Despite

terms of the court discharge — which included a stipulation that he not violate any laws during the one-year span — the Bonnie Johnson home in the 2200 block of Grand Avenue was burglarized.

OCTOBER 14, 1975 — A burglary took place at the Loretta Landford home in the 2000 block of Bryan Avenue.

DECEMBER 4, 1975 — Granite City police arrested the Kirkpatrick man on evidence they said was related to the April 2, Oct. 12 and Oct. 14 burglaries.

DECEMBER 5, 1975 — Associate Judge Edward Ferguson released him on his own recognizance, with no bond necessary.

DECEMBER 19, 1975 — At the suggestion of police and the Madison County state's attorney's office, the charges were dismissed with leave to reinstate them at a future date if it later seemed advisable. No attempt was made to revoke his probation. He moved to St. Louis County but returned to Kirkpatrick Homes early this year.

JANUARY 18, 1976 — The

same man was arrested by Edwardsville police, who charged him with committing a burglary there.

MARCH 10, 1976 — Granite City police arrested him at Kirkpatrick and served warrants from St. Louis County — two counts of burglary and two counts of theft.

MARCH 18, 1976 — The Edwardsville case was dismissed for lack of evidence. He has remained in the St. Louis County Jail, since March 10, awaiting the posting of bond.

What went wrong? Why are innocent families victimized by apparent "repeaters" despite active law enforcement efforts?

As noted, no attempt was made to revoke the man's probation Dec. 19 despite the existence of allegations about four different incidents.

A spokesman for the state's attorney's office said it is believed the courts were unaware the man was on probation at that time.

Had he been assigned a probation officer last May, court officials would have been made aware of that fact; but

since there was no probation officer, there was no review of the records, the spokesman said.

As of this week, seven burglary charges have been initiated but no attempt has been made to revoke the man's conditional discharge, which expires in 41 days, on May 5, 1976.

Police do not have to prove a crime was committed in order for a probation to be revoked or a conditional discharge to be terminated.

For such a termination,

resulting in physical confinement, arresting officers must be able to show the courts a "preponderance of evidence" that the person has been involved in a new crime.

An assistant state's attorney said he intends to file a request for a court hearing on the probation.

He added that new methods have been initiated in his office to assure that Madison County courts are made aware of it when a defendant in a pending case already has been placed on conditional discharge from a previous crime.

Lights at State St. crossing

By WALTER F. STRANGE
Press-Record Staff Writer

The Illinois Commerce Commission has ordered the Illinois Terminal Railroad to install signal lights at the railroad crossing in the 1300 block of State Street in Madison.

Casper S. Nighossian, city attorney for Madison, reported to the City Council at its Tuesday night meeting that Madison will have to pay 20 percent of the cost, not to exceed \$1,800, and will need to place temporary stop signs at the crossing until the electric signals are installed.

The lights will be of an overhanging type, costing \$9,000 to install. The railroad was given one year to install the lights.

An ordinance was enacted designating the area as a stop intersection, and the signs will be put in place within a week.

In another ordinance, the council approved four weeks of vacation for employees with 12 years of service rather than 15 years.

After a discussion of several types of emergency warning systems, the council instructed the Civil Defense director to make application for federal matching funds to purchase a Thunderbolt siren Model 1003.

If approved by the federal government, the new siren would be installed in the vicinity of Seventh Street and Madison Avenue. The new system will cost \$6,200.

The Thunderbolt siren will reach all of the city with three signals—alert, attack and fire. Since the new siren will be heard even in fringe areas of the city, Christ Paschoff, supervisor of Venice Township, told the council that the township will be put in place within a week.

(Continued on Page 5)

On and off the record

Weather outlook for this region

Partly sunny and mild today with high about 70. Partly cloudy tonight. Low about 50. Considerable cloudiness Friday with chance of thundershowers. High in the 70s. Chance of

showers and mild Saturday. High in the 70s. Generally fair and not so warm Sunday and Monday. Lows in the 40s and highs in the 60s.

Want to be an April fool?

Your special day is coming

Thought of a prank for April Fools' Day?

Harmless jokes have been customary on the first day of April for several centuries; the victims are called April fools.

The Venice school cafeteria staff is ready, well in advance of the occasion this year. Its menu for students next Thursday is worded simply:

"Guess what? April Fools' Day!"

The cooks apparently don't believe the secrecy will frighten away any of their clientele.

'Cloak and dagger' luncheon

The personal luncheon schedule of Area Explorer Chairman Bruce Rotter of Granite City while attending the national explorer presidents' conference in Washington, D. C., next week includes House Armed Services Committee Chairman Melvin Price and George Bush, new head of the Central Intelligence Agency, America's "spy and information-gathering organization."

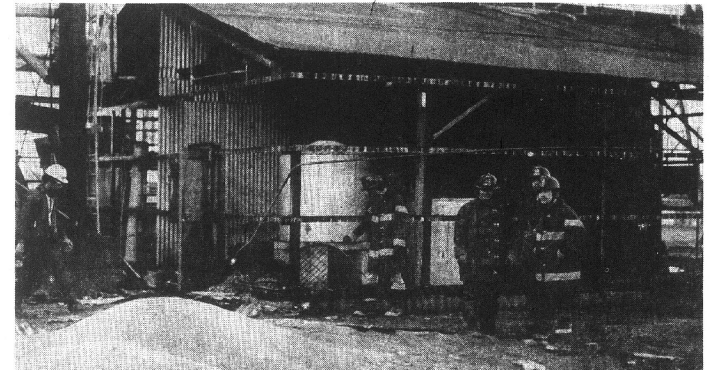

Attending the conference with Rotter will be Jason Kieffer of Granite City, Robbie Schwarz of Highland and W. F. "Mick" Strange of Madison.

Grassroots Government

Pontoon Beach Village Board 6:30 p.m. Friday, March 26, at Village Hall.

MADISON EXPLOSION at 7:12 a.m. Wednesday occurred in this Laclede Steel Co. building; no employees were there and no one was hurt. Located near the southwest corner of the firm's Madison property, the structure houses water softening equipment. A leak from an underground gas line may have caused the blast, which blew off corrugated wall sections and damaged pipes and electrical lines. Production is unaffected, since most of the mill operations were at a reduced level this week due to slack orders. Madison firemen are shown at the scene in this picture by Dan Sipes.

Girl, 13, new bird disease victim

By GARY SCHNEIDER
Press-Record Staff Writer

Tammy Sue Milam, 13, of 2905 Oregon St., has been diagnosed as the third child in the Quad-Cities to have contracted one of several diseases caused by spores in the droppings from birds.

Tammy suffers from histoplasmosis, which is caused by fungus entering the body through breathing or through any body opening. It causes tiredness, a low-grade fever, chest pains and other complications.

In addition to the usual symptoms, Tammy suffered

inner ear problems which led her parents to take her to the family doctor.

Attempts to clear the ear problems were unsuccessful at first and the problem spread to her throat, affecting her vocal chords.

"Her voice would just fade in and out," her mother, Mrs. Charles Milam, explained.

Her family doctor recommended she be taken to an ear and throat specialist. The specialist successfully treated the inner ear problem but was unable to keep her voice from fading.

He said the voice problem had

to be caused by something farther down in the body, because her sinuses were clear of infection, so he ordered x-rays taken.

The x-rays showed a spot on one lung. "We first thought Tammy had tuberculosis and were really frightened, but we took the x-rays and blood samples to Cardinal Glennon Hospital, where they examined her and ran some tests finding out she had histoplasmosis," she continued.

Once they diagnosed the disease, they ordered Tammy to discontinue taking all medication, except for an occasional pain tablet for the chest pain.

Doctors ordered rest and told her to stay at home, her mother noted.

"Sometimes she says she feels real good and could do anything, but 15 minutes later she is tired and has to lie down."

"We take her for x-rays about every two weeks and keep hoping something will happen," Mrs. Milam related.

She said the family took a trip to Nashville, Tenn., between Christmas and New Year's and Tammy might have contracted the disease there, but the trip centered primarily in urban areas.

Most cases of bird-related

diseases are believed to have been contracted in woods or in areas where there are large concentrations, health officials say.

In early January, a short time after the Milams returned from their trip, Tammy's inner ear problems started. By mid-January, Tammy would come home early from school, tired, in pain and running a fever.

Finally, it was necessary to take her out of school.

Three teachers from Coolidge Junior High School have been tutoring her at home under the homebound program five days

Land of Lincoln —and Al Capone

(25th of a Bicentennial year Press-Record series)

Would any U. S. Bicentennial look back into Illinois' past be complete without a mention of the gangster era, in general, and Al Capone, in particular?

Probably not. Even though Illinois is officially the "Land of Lincoln," Capone and his associates also left an indelible imprint on part of the state's

history.

In the 1920s, Capone became an internationally recognized symbol of American lawlessness, and his name was synonymous with Chicago.

With profit as his goal, no limit on his methods, and a keen sense of the market in prostitution, illegal gambling and booze (after the passage of

Two members of the Granite City Council were appointed by Mayor Paul Schuler Monday night to fill aldermanic vacancies created by the deaths of two veteran council members.

The mayor appointed Glen E.

Blevins, Sprankle chosen as aldermen

Two members of the Granite City Council were appointed by Mayor Paul Schuler Monday night to fill aldermanic vacancies created by the deaths of two veteran council members.

The mayor appointed Glen E.

Sprankle, 1520 Joy Ave., as alderman of the Fourth Ward, and Curtis Blevins, 2907 Denver St., as alderman of Ward Five.

Sprankle, 35, a patternmaker at American Steel Foundries, succeeds the late R. E. Robertson who died Jan. 28,

while Blevins fills the vacancy left by the death of the late Alderman Walter Nomm who died Jan. 7.

Blevins is 41 and is owner and operator of the B & E Lumber Co. in Madison.

Both of the newly-appointed aldermen were present at Mayor Schuler's announcement of the appointments at the first order of business at the beginning of the council session.

Council members concurred unanimously in the appointments. Both men were administered the oath of office by City Clerk Robert Stevens and took their seats at the council table.

Sprankle was an unsuccessful candidate for the Fourth Ward aldermanic post in the city elections a year ago. He is married and has one son. He is a native of Granite City and a graduate of Granite City High School. He has been a patternmaker at American Steel Foundries 16 years.

Blevins is married and has three daughters and 12 grand-

NARROW ESCAPE for Otis Robinson, 26, of 121 Garcesch Homes, Madison, whose car descending the Broadway viaduct and its State Street cutoff hit curbing on the right and then rebounded over left curbing and across a guard rail at 1:20 p.m. Monday. The 1969 auto bent Illinois Power

Co. fencing and halted only 12 inches from an electrical transformer. Combined fence, railing and auto damage was \$300. Police are shown obtaining information; Robinson said the steering mechanism caused the car to go out of control. He was booked for careless driving.

(Press-Record Photo)

School candidates' data being assembled

Quad-City area school board candidates are asked to submit photos, biographical information and their stands on what they regard as the issues in April to board members voting.

They should be submitted by early next week to the Press-Record, 1815 Delmar Ave., Granite City 62040.

Miller to be speaker at York Rite reception here

Lloyd D. Miller, most excellent grand high priest of the Grand Royal Arch Chapter of the State of Illinois, will be the main speaker at the York Rite Reception Saturday at the Granite City Masonic Temple.

The reception will honor three Masons: Chester Owens of Alton, recently elected eminent grand warder of the Grand Commandery of Knights Templar of the State of Illinois; Edward Lane of Granite City, recently elected illustrious grand marshal of the Grand Council of Royal and Select Masters of the State of Illinois; and Luther R. Smith of Collinsville, formerly of Granite City, who has been elected grand master of the second veil of the Grand Royal Arch Chapter of the State of Illinois.

The York Rite of Free Masonry consists of three bodies—the Commandery, the Council and the Chapter. It is unusual that three men from the same area are elected to office in each of the three grand bodies, officers reported.

Saturday's activities will

LOYD D. MILLER

include a Grand Royal Arch Chapter school conducted by the Board of Grand Examiners of the Grand Chapter, followed by a 6 p.m. reception. Attendance will be by reservation only.

Teachers Institute tomorrow

Students in all public schools in the Quad-City area as well as parochial students at St. Elizabeth School in Granite City and St. Mary-St. Mark in Madison and Venice will not have school tomorrow as the teachers attend the Madison County Teachers' Institute at Southern Illinois University at Edwardsville.

The institute will begin at 8:30 a.m. Friday and will consist of four time periods of about 50 minutes each, concluding about 1 p.m. An identical institute is being held today for St. Clair County teachers.

Speakers include: Professor Howard Seeman, educational supervisor and lecturer, who will discuss "The Alive Classroom"; Floyd L. Coppedge, Ed. D., academic dean of the University of Science and Arts of Oklahoma who will talk

Madison class needs addresses

The 1936 June graduating class of Madison High School is planning a 40-year reunion in July or August.

According to Melvin Hildebrand, chairman of the event, addresses are needed for five class members: Sarah Lee, Lauretta Lee Rill, Lucille McAlma Thomas, Roma Lee Thomas and Sarah Van Tassel. Persons are asked to telephone 452-1162 or 876-3501 if they have any information regarding the five class members.

Local woman hospitalized, man arrested

Darmon L. Broyles, 25, of the 1900 block of Adams Street, was arrested at West 21st Street and Missouri Avenue at 1:40 a.m. Tuesday and was charged with battery and intoxication.

It is alleged he forced his way into the home of Kathy Broyles in the 2000 block of Missouri Avenue and beat her.

She suffered bruises to her face and body and chest abrasions and was admitted to St. Elizabeth Hospital in fair condition.

Broyles was taken to the Granite City Jail, where officers alleged finding him at 2:30 a.m. Tuesday hanging in his jail cell, suspended by his shirt, which was tied to the top of the jail cell.

He was cut down and was not injured. Police kept his shirt.

At 4:05 a.m. Tuesday, officers checked his cell and allegedly found him hanging by the neck from his pants, also tied to the top of the jail cell.

As police attempted to get him down, they alleged, he swung at the officers, striking one on the chest. He was subdued and brought down.

CAR HITS TREE

Mrs. Jeanette Landis, 34, of 5409 Evergreen Ave., Mitchell, was injured when her car, turning from southbound Route 203 onto Minerwa Street, slipped in loose gravel and struck a tree at 6:45 p.m. Monday. She was taken to St. Elizabeth Hospital with injuries to her face and left ankle and was admitted in satisfactory condition.

State Park lighting district seeks Nameoki financial aid

A request for aid to save the State Park Street Lighting District from bankruptcy was issued to the Nameoki Township Board of Auditors during the board's regular meeting Monday night.

An official of the street lighting district showed the board several final notices from the power company as proof the district is unable to pay its bills and the lights may be turned off, if some financial assistance is not found.

Nameoki Township already has assisted the State Park Police Department with a \$9,500 grant and turned down an aid request from the State Park Volunteer Fire Department only after a legal opinion that Nameoki Township's revenue sharing funds could not be given to a department which also operates in Canteen Township, unless Canteen Township would offer matching funds.

The finance committee presently is preparing the township's budgets, including the revenue sharing budget, and that committee is expected to decide whether the grant will be included in the budget.

The board referred the request to its attorney, H. Carl Runge Jr., for a legal opinion whether

the aid can legally be offered.

The board also requested an opinion within the next week from Runge whether the township can set aside \$3,000 in Community Development grant funds to aid the Pontoon Beach branch of Coordinated Youth Services, should that branch run out of money before the fiscal year ends.

The branch presently operates on a combination of funds from the state and federal governments, the schools and a \$1,500 per year grant from Pontoon Beach.

Don Patrick, director of the Pontoon Beach Coordinated Youth Branch, explained he requested the Nameoki Township funds be reserved only in case they are needed. He said it is not known how long Pontoon Beach will continue to offer its share of the funding, and the extra \$3,000 could serve as a cushion to keep the branch operating.

STOLEN CAR IN CRASH
The auto of Robert Johnson, 1723 Edison Ave., which he reported had been stolen from in front of his home, was involved in a hit and run accident in the 2200 block of Harding Avenue at 10 p.m. Monday and was abandoned, police noted. Police had it towed to a garage and notified the owner it had been recovered.

Ice hockey meeting

Election of two new board members will be on the agenda Wednesday, March 31, at a meeting of the Granite City Amateur Ice Hockey Association at 7:30 p.m. Players and their parents are to attend at the Namecki Recreation Center, Amos and Franklin Avenues.

Quad-Cityans were among those who detected two Northeast Arkansas earthquakes Wednesday evening, recorded at 4.5 intensity at 6:47 and at 4.0 on the Richter scale at 7:01. The tremors also were felt in Tennessee, Kentucky and Missouri.

President Gerald Ford and Secretary of State Henry Kissinger indicated Wednesday the U. S. will take military action against Cuba if Cuban troops are used to aid guerrillas against Rhodesia.

Pres. Frank Fitzsimmons recommended Wednesday that Teamster locals take strike authorization votes this weekend. Bargaining is continuing for a new trucking industry labor agreement.

A \$1.4 billion surplus was tallied for the U. S. balance of payments in 1975.

State Comptroller George Lindberg urged Wednesday that legislators trim \$100 million from the governor's budget to assure that the state will be able to pay its bills in 1976-77.

Appellate judges on Tuesday

News notes

barred a circuit judge from jailing the Illinois Revenue Department director and chief investigator, pending the outcome of their appeal. There are allegations of a court order to stop seizing cars and confiscating cigarettes bought in Indiana.

A coroner's jury has attributed the Jan. 25 death of Kevin Beck, 16, of 1924 Rhodes St., Madison, to an overdose of multiple drugs.

Financial institutions around the U. S. are receiving threatening letters seeking to extort funds for defense of Charles Manson. Those receiving letters this week included a bank on Union Boulevard in St. Louis and a Granite City establishment.

SU at Condoale officials said they will limit enrollment next fall due to funding limits.

Jacobsmeyer is forming a golf league for the second year. Men interested in playing at Arlington may contact Jacobsmeyer's, Von Dee Sports.

President-elect candidate Jimmy Carter, former Georgia governor, said in St. Louis Tuesday regarding proposed Alton locks and dam replacement that "as President, I'm going to get the Corps of Engineers out of the dam-building business."

Sewers
(Continued from Page 1)
Council rejection of a proposal by the committee.

The city has agreed to allow a sewer line from Eagle Park Acres and the "Flover" Addition near Madison to empty into existing city sewers near 14th and Iowa streets, and wants the users of the new sewer to pay part of the cost of maintaining present city sewers.

The city first asked Sparks' committee to agree to meet half the cost of maintaining the existing sewer through which the added sewage is to flow.

The committee said the proposed would provide only a small percentage of the sewage in those sewers and that the pay should be proportionate.

The city requested a written proposal and a letter was mailed to Clyde Boyd, chairman of the city's street and alley committee, March 18, containing the county committee's first offer.

That letter, read to the City Council Monday night, proposed that the county pay one-tenth of one percent of the maintenance cost.

"If at any time it is determined that our volume would exceed this amount, we would be willing to adjust this agreement," Sparks noted.

Boyd read the letter and commented that the street and alley committee will arrange a meeting with Sparks' committee "to discuss something reasonable."

Sparks said yesterday he is happy municipal officials have agreed to meet in the near future with the four-township committee.

"Time is precious if we are going to see this program get off the ground, so it is encouraging that we are negotiating on this matter, which has been one of the loose ends to getting the new sewers," Sparks concluded.

There are times when you feel flowers say what you feel.

Reservations urged for salute to SIUE

Quad-City area individuals, groups and firms are being urged by the Tri-Cities Area Chamber of Commerce to make reservations for the Chamber and Chamber Education Committee dinner honoring Southern Illinois University at Edwardsville.

"SIUE is an important part of this community and we are asking for a full house at the dinner, to be held next Friday, April 2, in the Granite City High School South cafeteria," Chamber Executive Vice-President Edward F. Reiske said.

"If 6 p.m. is a bit early, make it as soon as you can," he is telling purchasers of the \$6.50 tickets. "We will have punch and a get-acquainted hour before the dinner at 7 p.m."

Flu shots planned to avoid epidemic

"There is no cause for alarm," President Gerald Ford said Wednesday in announcing a \$135 million federal program

Arrest for hitting wife

Anthony L. Goodman, 21, of 12574 Niedringhaus Ave., was arrested Monday on a warrant alleging battery.

He allegedly entered the home of Mrs. Linda Goodman, 21, of 4207 Kirkpatrick Homes, his estranged wife, and struck her with a soft drink bottle Friday, causing a cut to the back of her head and an injury to a finger.

Goodman's bond was set at \$3,000 and he was released Monday after posting \$300 cash.

Frohardt Brownies view Ice Capades

An evening of fun and entertainment was enjoyed by Brownies Troop 560 from Frohardt School when members attended the Ice Capades at the St. Louis Arena last weekend.

Brookies in attendance were Sheri Anglin, Jennifer Benoit, Paula Bills, Donna Kastelec, Sharon Mathenia, Kelly McMillan, Vicki McMillan, Paula Plebanek, Michelle Rheinhardt, Melissa Russell, Pam Smith, Ruth Stille, Stephanie Wallace, Dawn Wallace, Debra Ward and Carla Yager.

Chaperoning the group were Mr. and Mrs. Richard Bills, Mr. and Mrs. Woley Stille, Mr. and Mrs. George Vogeler and Mrs. Marilyn Price.

Future plans of the troop include tours of Illinois Bell Telephone in East St. Louis and McDonald's Restaurant in Granite City.

KIRKPATRICK FIRE
Fire at the home of Diane Gilliam, 1308 Kirkpatrick Homes, at 9:55 a.m. Tuesday, caused about \$150 damage to the home. Firemen suspect a child may have set the fire on a towel rack on fire and the fire climbed the wall and into the ceiling. Firemen were on the scene 30 minutes.

GUNSHOT WOUND
Wayne Bighler, 21, of 4060 Gaslight Walk, Apt. 1, Pontiac Beach, was admitted to St. Elizabeth Hospital at 4:25 p.m. Wednesday with an injury of the second finger of the left hand as a result of an accidental gunshot. Police said Bighler was at home repairing the firing pin of a .38 caliber derringer pistol when it discharged.

Mrs. Meda Todd dies at age 77

Mrs. Meda M. Todd, 77, of 602 S. Roodhouse, Roodhouse, Ill., an aunt of Mrs. Edith Farnback of Venice, died at 11:10 a.m. Tuesday at St. Elizabeth Hospital. She had been a patient there three weeks.

A lifelong resident of Roodhouse, Mrs. Todd and her husband, the late Gilbert Todd, owned and operated a dry goods store in Roodhouse, until they retired three years ago.

Mr. Todd died Nov. 8, 1975. Other survivors include two other nieces and three nephews. Funeral arrangements are given in the obituary column.

Two reinstated at Madison high

Two Madison High School students who had been on an alternative educational status, were reinstated at a special meeting of the Madison School Board Tuesday evening. The two youths had been working with the Coordinated Youth Scale and program.

In other action, one student was expelled from the MHS and one reinstated on probation.

Funeral arrangements are given as a part time speech correctionist.

Births

Births recorded at St. Elizabeth Hospital.

Mr. and Mrs. David Labrot, 4045 Gaslight Walk, March 22, Heather Suzanne, seven pounds, 14 ounces.
Mr. and Mrs. Kenneth Kube, 2621 Hennock Ave., March 22, Susan Caroline, seven pounds, nine ounces.
Mr. and Mrs. Morris Egbert, 3099 West 20th St., March 22, Terena Kay, eight pounds, two ounces.

Obituaries

CRAWFORD, DAVID EDWARD, 4137 North Drive. Entered into rest 4:30 p.m. Sunday, March 21, 1976, at St. Elizabeth Hospital.

Beloved husband of Mrs. Louise Crawford; dear father of Sergeant Thomas Crawford, William Murray, Ida Mae Murray and Mrs. Dorothy Lancaster; dear son of Mrs. Elizabeth Wineberger; dear grandfather and great-grandfather.

Funeral services 1 p.m. Friday, March 26, at BOB THOMAS MEMORIAL MORTUARY, 2200 Pontoon Road, Interment Lakeview Memorial Gardens, Belleville.

KRAMPE, ELMER H., Holiday Mobile Homes. Entered into rest 4 p.m. Tuesday, March 23, 1976, at home.

Beloved husband of the late Martha Krampe; dear father of Arnold J. Krampe. Funeral services 1 p.m. Friday, March 26, at KASSLY POLYNAL MORTUARY Chapel, 9900 St. Clair Ave., Fairview Heights. Interment DeSnoone Cemetery, St. Louis. Visitation after 6 p.m. today.

OVERBEY, HARRY LEE, JLT, 2710 Blair St., St. Louis. Entered into rest 9:20 p.m. Monday, March 22, 1976, at Deaconess Hospital, St. Louis.

Dear brother of Donald and Lawrence Overbey, Mrs. Margaret Mason, Mrs. Vivian Goodman, Mrs. Betty Hornall and Mrs. Peggy Marvasio; dear uncle and great-uncle.

Funeral services 10 a.m. today, Thursday, March 25, at LAUREY FUNERAL HOME Chapel, 501 Madison Ave., Madison. Interment Memorial Park Cemetery, St. Louis.

TODD, MRS. MEDA M., 602 S. Roodhouse, Roodhouse, Ill. Entered into rest 11:10 a.m. Tuesday, March 23, 1976, at St. Elizabeth Hospital.

Beloved wife of the late Gilbert Todd; dear aunt of Mrs. Edith Farnback.

Funeral services 2 p.m. today, Thursday, March 25, at Wells-Altman Funeral Home, Roodhouse. Interment Fernwood Cemetery, Roodhouse. Local arrangements completed by MERCER MORTUARY, 1416 Niedringhaus Ave.

THANKS . . .

To all my friends and voters who supported me in the recent election.

Sam Wolf

The Rev. Robert Eggs, former pastor for five years of the Church of God, 2301 Orville Ave., is conducting evangelistic services each night this week at that church.

Rev. Eggs has retired from the ministry and since has been conducting revivals throughout this area. Services will begin tonight and tomorrow at 7:30. He also will speak at 6:30 p.m. Sunday. A special program is

planned Saturday evening, starting at 7, during which the motion picture, "The Burning Hell," will be shown.

The revival and film are a part of the church's Spring Sunday School enlargement campaign now underway. The campaign will continue through Easter Sunday, April 18.

One of the activities in the campaign was a family day recently which was attended by about 130 persons. An award was given to the Charles Clark family for the largest turnout with 17 family members present.

\$100 FIRE DAMAGE
Sparks from burning copper wiring set a garage on fire at the home of Joel Joseph 2925 Iowa Ave. last week, resulting in \$100 damage to the structure. Firemen were on the scene three hours.

LARGEST FAMILY to attend a Family Day observance at the Church of God, 2301 Orville Ave., was the Charles Clark family of Granite City, which had 17 members in attendance, including married children and their children.

Fourth of July events planned

Progress reports on their Bicentennial parade entry and food stand committee for the July 3-4 celebration was the main topic of discussion at the Madison Ladies City Organization meeting held at the Sport-

man's Club. President Mrs. Winnie Sasyk announced the April hostesses will be Eleanor Armour and Pam Dymas.

New bylaws were presented by a special committee and

members made additions and changes during the session. Mrs. Sue Miller, hostess for the evening, served refreshments and awarded a prize to Mrs. Sasyk.

Others present were Mesdames Ida Dant, Marie Hockstra, Cora Barr, Julia Goclan, Mary Rogenski, Frances Trots, Minnie Brown, Rita Lybarger, Ova Carlson, Eileen Scrum, Eleanor Armour and Pam Dymas.

Navy Mothers enroll member

Mrs. Margaret Minzes, commander of the Quad-City Navy Mothers, Chapter 822, gave the oath of obligation to a new member, Mrs. Velma Feeney, at a meeting of the group at the VFW Hall, Thursday night.

She announced an election of officers will be held at the April 1 meeting and installation is scheduled for May 1 at the VFW with a dance to follow the ceremonies.

A discussion and plans were held on the Bicentennial float entry for the July 3 parade.

Mrs. Minzes said any Navy, Marine or Coast Guard mother wishing information about the club activities or wants to become a member may contact Mrs. Gladys Markovitch at 876-0836.

Games were played with prizes going to Peggy Jones, Mattie Hefflin, Hazel Jones, Della Rabb, and Mrs. Markovitch.

Hostesses Mrs. Mary Lee Busler, Mrs. Markovitch and Mrs. Mickey Krusec, served a dessert course after the meeting.

GARAGE DAMAGED
Fire of undetermined origin caused a loss of \$2,500 to a two-car garage last week at the home of Harry Ellsworth, 8 Mercer Drive. Firemen were on the scene 50 minutes.

2nd coal conversion state plant

The first phase of a new \$105 million coal conversion facility has been awarded to Illinois by the federal Energy Research and Development Administration, Gov. Dan Walker said this week.

The first phase grant will total \$11 million to pay for pre-construction costs of the project, to be built at Commonwealth Edison's Powertrain generating station near Pekin.

The Powertrain project is the second major coal conversion facility to be awarded to this state. Illinois was awarded the \$237 million Coalcon project at New Athens by ERDA in November.

As it did in the New Athens project, the state will participate in the funding through its coal development bonds.

Construction of the Powertrain demonstration plant is scheduled to begin in November 1977. The plant is to begin operation in 1978.

Costs will be shared by Edison and other private industry sources, plus the state and federal government.

Gov. Walker and Thomas G. Ayers, chairman of the board of Commonwealth Edison, announced the application for federal funding in November. The state Division of Energy will recommend approximately \$7 million of state funding for the project. The state Energy Resources Commission must act on any state commitment for the project.

"Development of an economical process to convert Illinois high-sulfur coal into a pollution-free fuel is a step toward meeting the nation's energy and environmental needs and help stimulate the economy of Illinois," Gov. Walker commented.

"The award of federal funds for construction of a new coal conversion test facility near Pekin shows again that Illinois is a leader in the field of energy development."

"The facility will use Illinois coal to produce enough electricity to serve 25,000 homes. This coal conversion plant is another milestone in the state's program to develop our abundant coal resources."

"The state Division of Energy, along with Rep. Melvin Price, (D-Illinois) and Rep. Bob Michel, (R-Illinois) and other members of the Illinois Congressional delegation have worked hard with Commonwealth Edison in obtaining this new federal award."

Harry Overbey dies at 56

Harry Lee Overbey Jr., 56, of 2710 Blair St., St. Louis, formerly of Madison, died at 9:20 p.m. Monday at Deaconess Hospital, St. Louis.

Mr. Overbey resided in St. Louis 37 years. He retired two years ago at the Proctor Counter Shoe Co. in Bourbon, Mo., where he had been employed 27 years.

Mr. Overbey was a member of the Catholic faith.

Survivors include two brothers, Donald and Lawrence Overbey, both of St. Louis; four sisters, Mrs. Margaret Mason, Mrs. Otis (Vivian) Goodman and Mrs. Michael (Peggy) Marvaso, all of St. Louis, and Mrs. Thomas (Betty) Hornall of Mascoutah, Ill.

Funeral services were held today. Details are given in the obituary column.

WIN SPEECH HONORS. Eight Coolidge Junior High School speech students won honors in a State Fine Arts Speech contest in Belleville last week. They are from left, Lydia Kachigian, Gwen Fuchs, Melissa Lane, Lori McDaniel, Susan Basarich, Ellen Fogle, Susan Robinson and Sally Hand.

Supply contracts awarded

The Granite City Board of Education has agreed to have two wrestling mats, which are used at Coolidge and Frather Junior High Schools, resurfaced on both sides by the Grant Athletic Supply, Inc., for a total cost of \$1,732.

In other board action, contracts were awarded to the

Tubey Fine Papers for paper supplies costing \$14,824; to Prestige Printing Co. for election ballots for various amounts depending on the specific form of the ballot; girls' physical education supplies to J. N. Distributing for \$201; Fischer's of Florissant, \$28; Casey's Sport Stores for \$77 and Economy Sporting Goods for a total of \$13,150 from 17 vendors.

The board approved the purchase of a rotary lawnmower from the Erb Equipment Co. for \$1,200; cafeteria kitchen equipment from Peerless Hotel Supplies for \$1,105; a special purchase of equipment for the Special Education Department totaling \$550 from the Easter Seal Society which is terminating its programs. Cost of the same equipment would be \$1,547, according to Tully A. Heubner, director of business affairs.

Also approved was the purchase of six weather alarms costing \$324 from Harbor Electronics Sales and Service, Godfrey, Ill., and to pay an invoice of \$527 to the Audio Electronics Co. for maintenance calls of sound equipment at South High School from June 10, 1975, to Nov. 12, 1975.

Seven first place awards for Coolidge

Eight Coolidge Junior High School Speech students competed in a State Fine Arts Speech contest in Belleville last week and returned with seven first-place awards and one second-place award.

Lydia Kachigian entered two

events, duet acting and humorous monologue, and took two first place awards.

Other students receiving first-place awards were Ellen Fogle and Lori McDaniel, both humorous monologue; Melissa Lane, Susan Robinson and Gwen Fuchs, all duet acting; and Sally Hand, humorous monologue.

Susan Basarich received a second-place award in humorous monologue. The students were accompanied by Mrs. Shirley Stoll, speech teacher at Coolidge Junior High School.

KUNSTLER TO SPEAK

ON MISSOURI TRIAL

Attorney William Kunstler will speak at Southern Illinois University at Edwardsville on Monday, April 5. He will speak primarily on the trial of J. B. Johnson, who was sentenced in 1972 to life imprisonment for the murder of a University City policeman. After serving three years in prison, Johnson was granted a new trial and will be defended by Kunstler.

Sponsored by the SIUE Black Student Association, the program will be held in Meridian Hall at 8:15 p.m. Tickets are \$2.50 for students with valid identification and \$3 for non-students. The tickets are available at the University Center ticket office.

County rejects permit for Highway 162 construction

The Madison County Board fell two votes short of overturning a recommendation from the county's zoning board of appeals and granting a special use permit for construction of a home at Mockingbird Lane and Route 162.

Louis Whitsell, county board member and supervisor of Nameoki Township, spoke in favor of overturning the zoning board on the petition of Arthur E. Miller, owner of an excavation company at that location, who was seeking a special use permit to construct a home behind the business.

Following a public hearing on the site at which there were seven objectors and two in favor of the permit, the zoning board recommended that the permit not be granted.

Assistant Madison County State's Attorney Don Smith told board members a residential permit is not one of the special uses permitted in a B-3 highway business district, which is what the lot is zoned.

He said Miller should have filed for a zoning change rather than a special use permit and Whitsell said the lot is less than the five acres required as a minimum for a zoning change.

Despite a ruling from Smith that it would be illegal to grant a

special use permit to Miller, Whitsell called for a vote on his motion.

County Board rules require that three-fourths of all the board's 29 members vote in

Gangsters

(Continued from Page 1)

The Eighteenth Amendment) Capone proudly established himself as public enemy number one.

In late 1919 or early 1920, Capone moved to Chicago from Brooklyn, N.Y., to join Johnny Torrio, a former street acquaintance, as a low-level functionary in the crime syndicate.

He was 29 years old, possessed a knife wound that earned him the nickname of "Scarface," and boasted an

organized crime in Chicago was under the control of "Big Jim" Colosimo, who in May 1920 was mysteriously assassinated, leaving Torrio in charge.

Demonstrating a ruthless effectiveness, Capone became manager of the Four Deuces at 2222 S. Wabash Avenue—a saloon, brothel, gambling house, and headquarters for the Torrio business.

In 1924, the syndicate gave Capone the task of extending his influence into suburban Cicero.

With the polls under control of his gunmen on election day, Capone's candidates won, and the

at the Hawthorne Inn to coordinate bootlegging and gambling.

The profits of crime triggered bloody gangland rivalries throughout the city of Chicago, and in one exchange Torrio was seriously wounded.

After his recovery, he accomplished the impossible by retiring and leaving the country for Italy.

This left Capone at the age of 26 in charge of an unparalleled coalition of vicious entrepreneurs operating a major bootlegging, vice and entertainment syndicate in Chicago.

His senior partners included his brother, Ralph, Frank Nitti, and Jack Guzik.

Headquartered at the Metropole Hotel in 1925, and the Lexington Hotel after 1928, the organization virtually seized the city of Chicago and held it in thrall.

Through it all, Capone maintained that he was a businessman supplying a consumer want for which he was not responsible.

favor of overturning the zoning board's recommendation in order to change the recommendation in cases where there were objectors at the hearing.

With 22 votes required to grant the permit, the vote came up two short and the permit was denied.

Several board members then indicated the zoning rules should be revised to avoid similar problems in the future.

Lights

Firemen unhurt in car-van crash

A Granite City Fire Department van, taking an injured fireman to "St. Elizabeth Hospital from a weekend fire at the Archer Daniels Midland Co. soybean processing plant on Cargill Road, collided with a car at 27th Street and Madison Avenue, members of the Granite City Council were told during Monday night's meeting.

The van did sustain some damage, but neither of the firemen inside was hurt as a result of the accident, the councilmen were told.

The van was driven by Leonard Wilson and was taking Richard Schardan, 23, to the hospital when it and the auto of Debra Kieraki, 810 Washington Ave., Madison, collided in the intersection on wet pavement, according to police reports.

Schardan suffered minor injuries in the fire and was released from the hospital.

GC ok's cost payments for Maryville Road job

An agreement by which Granite City will pay \$10,000 monthly to Madison County to help finance the city's share of the Maryville Road improvement was approved by the City Council Monday night.

The arrangement was made to speed up a bid call for the highway project which calls for construction of a four-lane roadway to link Pontoon Road with Highway 162.

The city will make the monthly payment out of its share of motor fuel tax funds allocated monthly by the state.

In a related action, the aldermen approved on final passage an ordinance giving the city the authority of eminent domain, a procedure under which the city may acquire property as right-of-way for road and highway projects in advance of court proceedings to determine the cost.

The "quick-take" procedure provided in the eminent domain measure will permit the city to acquire an easement tract at 23rd Street and Highway 162, which is the last easement needed to complete the city's

right-of-way requirements for the road improvement.

That bill was placed on first reading at the council's March 15 meeting.

The agreement for monthly payments to the county was worked out because the city's motor fuel tax account has been depleted to an extent that would prevent the city from paying its share of the Maryville Road project.

Most recent estimates of cost place the city's share at about \$800,000, while the county will pay more than \$2 million.

Business costs cited by Brann

Costs for companies to do business in Illinois will continue to increase unless business men and women become more involved in politics, a spokesman for the Illinois State Chamber of Commerce warned Tuesday at the Collinsville Holiday Inn.

Addressing a luncheon meeting of Madison St. Clair counties business leaders, Lester W. Brann Jr., president of the 19,000-member statewide organization, urged business people to support candidates who are fiscally responsible and friendly to business, and to participate in the election process themselves.

Blevins

(Continued from Page 1)

children. He sought election as an alderman ten years ago.

Both of the new aldermen will have to run for election in the 1977 city elections. The late Mr. Robertson's term would have expired next year, opening the Fourth Ward seat to election.

The late Mr. Nonn, however, was elected last year, which leaves three years of the term remaining at this time.

Under state law, council members appointed to terms of more than one year must run successfully for election at the next regular city election if they are to retain their seats.

This means that Alderman Blevins' seat will be subject to election next year for a two-year term, while the post of his fellow alderman in Ward Five, Steve Basarich, will be subject to election for a four-year term.

The appointment of Aldermen Sprankle and Blevins returns the City Council to its full complement of 14 aldermen, two from each of the city's seven wards.

Girl, 13

Apartments burn, 11 students escape

Eleven Southern Illinois University at Edwardsville students escaped injury early Tuesday when fire swept through their apartments in Building 326 of Tower Lake II, the newer housing complex on the university campus.

Thirty-two students are assigned to the eight apart-

ments in the building, which was demolished by the fire, but most of the occupants had returned to their hometowns for the break between winter and spring quarters.

The fire was reported to the Edwardsville fire department at 12:38 a.m. Tuesday. Firemen had it under control by 2 a.m.,

but it was 3:30 a.m. before they were able to extinguish all the flames.

Firemen were able to restrict the fire to the building, and they said there was no danger to other structures in the 32-building complex.

The fire apparently had been burning for several minutes in the two-story structure before it was discovered. Bill Hall, director of University Housing, said the cause or the exact starting point of the fire was not immediately determined.

Arrangements have been completed to accommodate the displaced students in other university housing temporarily, but SIUE officials are issuing a call for food and clothing for victims of the fire.

Most personal belongings in the building were believed to be a total loss. Contributors may contact the Housing Office in the John S. Rendle Building, telephone 692-3831, or the Housing Office, Tower Lake II, Building 514, Apartment 1-A, telephone 692-2962.

Hall said the university does not carry insurance protection for the personal effects of students, but an effort will be made to recover usable items from the building and have them cleaned.

The Tower Lake II complex, with accommodations for 1,000 single students, was dedicated in October 1975. The individual buildings are valued at \$175,000.

St. Elizabeth CYO plans paper drive

The Catholic Youth Organization of St. Elizabeth Church will conduct a two-day paper drive during the weekend, it was announced Wednesday.

For pickups on Saturday, residents may call 931-4790 before 7 p.m. Friday, and for pickups on Sunday may call 877-6425 before 3 p.m. Saturday.

Persons who wish to bring old papers may deposit them in a truck that will be parked both days on the church parking lot.

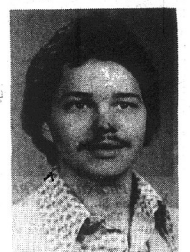

Brackett earns 'service to Southern' recognition

Two seniors and five juniors at Southern Illinois University at Carbondale have been named the recipients of this year's Service-to-Southern and Leo Kaplan Memorial Awards, including Thomas D. Brackett, 21, Granite City.

In presentation ceremonies during the 29th annual Theta Xi

variety show, which benefits the SIUC scholarship fund, the two Service-to-Southern award recipients, Brackett and Anne Heinz of LaGrange, each received \$250 for scholarship and participation in university activities and area programs. Kaplan Memorial Awards were presented to students majoring in physical or biological sciences.

Brackett is a senior student in art. He resides at 2346 Woodlawn Ave.

THOMAS D. BRACKETT

30 Venice HS students on honor roll

Thirty Venice High School students were named to the honor roll at the end of the fourth six weeks. Seniors Jack Ballentine, Tami Eck and Peggy Pier maintained a straight "A" 1.0 average.

Other honor students and their averages are seniors Richard Bailey, James Crowder, Pamela Henry, William Welch and Jaffee Woolfork 1.6; Lillian Walker 1.75; Dwight Gardner 1.8; Carolyn Moore 1.83; Caleb Jennings, Gloria Johnson and Sharon Taylor 2.00.

Juniors, Venice Govan 1.4; Rosie Gardner, Betty Mulnik and Denise Rankin 1.8; Zorobabel Collins 1.83 and Larry Arnold 2.00. Sophomores Dan Daniels 1.4; Carolyn Richmond 1.5 and Tami Boushard 1.8.

Freshmen Lori Durer and Anthony Wise 1.6; John Mulnik 1.8; Terrance Arnold, Mary McGarrahan, Linda Paterson and Christina Ponce 2.00.

Book sale

A book sale sponsored by the Friends of Lovejoy Library will be held Tuesday, March 30, from 9 a.m. to 3 p.m. on the Library Patio of Southern Illinois University at Edwardsville.

Varied books given to the library as gifts will be on sale. The books are on sale either because they are not needed for the library collection or because they are duplicates of books already in the library.

Proceeds are used to purchase books or specialized materials for Lovejoy Library that could not otherwise be obtained.

Friends of Lovejoy Library conduct book sales every other Tuesday throughout the regular quarterly class schedule.

Those interested in contributing books to Lovejoy Library may contact Field Representative Paul Chavens at 692-3730 or the Friends office, 692-2711.

Loot vehicles

Two vehicles parked on a parking lot on 16th Street were broken into and a \$200 citizens' band radio was stolen from the auto of Franklin Conour, Collinsville, it was reported at 11:30 p.m. Monday.

A coat hanger was believed used to unlock a door of Conour's auto. Doyle Treese, O'Fallon, reported a vent window of his truck also was broken, but nothing was taken. Treese said he had removed his citizens' band radio and taken it to work with him.

FIRE-GUTTED RESIDENCE. The blaze began at 7:30 a.m. Tuesday at 706 Jefferson St., Madison. Owned by R. G. Harper, the vacant structure was valued at \$3,000. The fire caused about \$100 damage to a neighboring house at 708 Jefferson St. Cause of the fire is unknown, Madison Fire Chief Eldon B. Roads said.

Committeemen elect

Morris Miles was re-elected chairman of the Chouteau Township Democratic Precinct Committee's group and Venice Township Supervisor Christ Costoff was re-elected chairman of that township's Democratic committeemen during post-election actions this week.

There were no other actions taken on officers elected at the Venice Township group's meeting.

Chouteau Township committeemen did not hold a meeting, but Miles conferred with each committeeman during the week and found all were in agreement on a slate of officers.

The group agreed to elect Betty Lavelle, the new Precinct

1975 crime up 9 per cent

Reported serious crime in the United States in 1975 was nine per cent higher than in 1974, Attorney General Edward Levi announced today. This compares with a national increase of 18 per cent in 1974 over 1973, Levi said.

The latest figures, covering calendar 1975, were contained in the FBI's Uniform Crime Reports, released today by FBI Director Clarence M. Kelley.

"While the increase in reported serious crime in the nation was only half as great as it was in 1974, the levels of crime remain much too high," Levi said. "All segments of the criminal justice system must continue to improve their efforts to reduce crime."

Director Kelley said the crime figures were based on the Crime Index, which is composed of the offenses of murder, forcible rape, robbery, aggravated assault, burglary, larceny-theft, and motor vehicle theft. The information was furnished by city, county, and state law enforcement agencies.

Kelley said the violent crimes of murder, forcible rape, robbery, and aggravated assault increased five per cent as a group. Aggravated assault and robbery each rose five per cent and forcible rape increased on per cent. Reported offenses of murder decreased one per cent.

JAMES READER, 26, who has begun duties as a probationary patrolman on the Granite City Police Department. Prior to becoming a policeman he was a security monitor at Granite City High School South and served 10 months as a dispatcher for the police department. He and his wife, Cheryl, have one son.

2 hurt in crash

Two drivers were injured when their cars collided at Route 162 and State Aid Route 35 at 11:50 p.m. Tuesday.

William Wadlow, 32, Bethalto, one of the drivers, was treated at St. Elizabeth Hospital for injuries to his head and a scratch to an eye and was released for follow up with an eye surgeon.

The other driver, Claude A. Kason, Collinsville, suffered injuries but declined to be taken to the hospital. He was charged with failure to yield the right-of-way.

Johnson wins judge post

William "Bill" Johnson of Edwardsville, a former associate judge in Madison County, has been appointed an associate judge for the second time and will be sworn in Monday morning at the Madison County Courthouse at Edwardsville.

The appointment was made after Johnson received the most votes in a tie-breaking election against Roland W. Griffith of Alton, a former Madison County

Leaves keys, state car vanishes

A young Venice man on probation for auto theft apparently got his revenge on the Illinois Department of Corrections by taking a station wagon assigned to that department at 1:45 p.m. yesterday.

Bill Whetstone, an employee in the East St. Louis office of the

Thompson proposes ethic law changes

James R. Thompson, Republican candidate for governor, proposed wide-sweeping changes today in Illinois law regarding ethics in state government and potential conflicts of interest.

The former United States Attorney proposed formation of a seven-member State Board of Ethics with statutory power to make them more meaningful regarding possible conflicts of interest by public officials and public employees.

Prohibiting lawyer-legislators from practicing before any state regulatory agency and appearing as counsel in any case in which the state is a party.

Prohibiting former legislators and former members or employees of state regulatory commissions from acting as lobbyists or representing clients before the legislature or the commissions on which they served for two

years following their terms of employment.

Prohibiting elected statewide officeholders from holding outside employment during their elected terms.

Prohibiting individuals who accept campaign contributions to run for public office from converting such funds to personal income following an election.

Something to sell? TRY A PRESS-RECORD CLASSIFIED AD

Banquet for MHS quintet on Saturday

Citizens of Madison will honor their high school basketball team Saturday during a banquet to be held at 8 p.m. in the Venice Recreation Center, 365 Broadway.

Chairman Maggie Garret said, "The Madison High School Trojans, coached by Larry Graham, are deserving of recognition as a token of appreciation for their outstanding job in representing the community."

Graham's team posted a 25-3 record during the 1975-76 season, including capturing its first Class A regional title. Madison saw its season end in the sectional tournament with a one-point loss to Lebanon.

Events rained out

Wet and cool weather here yesterday forced postponement of four high school sports events. All will be rescheduled, and two have been reset for tomorrow.

A baseball contest between GCHS North and Roxana will be played here tomorrow at 3 p.m., and a track meet between North and O'Fallon will be held at 4 p.m. Friday at O'Fallon.

A Wood River vs. GCHS South baseball game was to have been played here yesterday, and Madison High School was to have been at Triad for a track meet.

Basketball girls' meet at North

GCHS North will host a season-ending girls' basketball tournament, starting Monday and concluding with a championship game on Thursday, April 1.

Three contests are on tap Monday — Triad vs. North at 5:15 p.m., Cahokia vs. O'Fallon at 6:30 p.m. and Marquette vs. GCHS South at 8 p.m.

On Tuesday, first-round competition will conclude with Edwardsville playing Alton at 5:15 p.m. A consolation game is scheduled for 6:30 and a semifinal contest for 8 p.m. Competition will resume Wednesday with a consolation contest at 6:15 p.m. and another semifinal game at 7:45 p.m. The tourney will end next Thursday with a 6:15 p.m. contest for consolation honors and a 7:45 p.m. game for the tournament championship.

Flowering crabapple tree sale April 9-10

The sixth annual sale of flowering crabapple trees, sponsored by the Women's Division of the Chamber of Commerce of the Tri-Cities, will take place from 5:30 p.m. to 7:30 p.m. Friday, April 9 and from 9:30 a.m. until 5 p.m. Saturday, April 10.

As in previous years, the project is not geared to making a profit, but to encourage area

residents to beautify the community by planting the trees, according to Mrs. Jo Meyer, Women's Division Beautification chairman.

The two-day sale will be conducted outside Schnucks Market in Crossroads Plaza Shopping Center, 3801 Nameoki Road, and the First National Bank in Madison, 500 Madison Ave., Madison.

Only 100 Radiant Flowering Crabapple trees will be available this year at a cost of \$3.50 each. Mrs. Meyer reported. Orders will be accepted in advance of the sale by calling the Chamber office, at 675-9400.

Mrs. Meyer pointed out that Radiant Flowering Crabapple species attains a height of 18 to 25 feet and may be successfully grown in yards, patio areas or as a street tree.

It has deep pink blossoms and the fruit is a half-inch in diameter. It is a hardy tree and thrives almost anywhere, the project chairman noted.

Gaudette heads Nameoki Democratic committeemen

Raymond Gaudette Jr., Pontoon Beach trustee and Democratic precinct committeeman from Nameoki Precinct Nine, was elected chairman of the Nameoki Township Democratic Precinct Committeemen during the group's reorganization meeting during the weekend.

Gaudette replaces Floyd David Moss, president of the

Pontoon Beach Village Board, who had that post and was a member of the executive board of the Madison County Democratic Central Committee. Moss was defeated by Paul Bennett in the March 16 primary election in his bid to retain his Nameoki Precinct One committeeman post.

Other officers elected by the Nameoki Township group were

Frank Mehelic of Precinct Seven as vice-chairman and Mrs. Helen Hawkins of Precinct Five as secretary.

The committeemen discussed mutual problems in the township and agreed to work together in directing each problem to the proper governmental agencies and to urge action to solve each.

The next meeting of the group was planned for 11 a.m. Saturday, April 10, in the Pontoon Beach Village Hall where each committeeman will introduce his appointed precinct assistant.

GRANITE CITY PRESS-RECORD Thurs., March 25, 1976 Page 11

Station robbery nets \$75

An armed robber wearing a ski mask took about \$75 from an attendant at the Pontoon Shell service station, 2701 Pontoon Road, at 8:40 p.m. Monday.

The attendant said a dirty 1971 blue four-door Plymouth with three men inside pulled up to the mini-service island and the one man in the rear seat got out, displayed a blue-steel handgun and demanded money.

The attendant said he told the robber he did not have any and the robber said he knew the attendant had some.

The robber then was given the money from the attendant's shirt pocket, returned to the car and the three men drove west on Pontoon Road at a high rate of speed, it was reported.

A few minutes later, Yvonne Foley, 2587 Lynch Ave., reported a car matching the description of the robbers' car had just pulled up into her yard and stopped. Police were dispatched, but the car left and turned onto Vesel Avenue before officers arrived.

The service station attendant described the gunman as about 5 feet, 3 inches tall, and skinny. Because of the ski mask, his facial features were hidden.

The driver of the car held his gun in front of his face during the robbery, but had long blonde hair parted in the middle, the attendant said. He noted the license plates on the car had been bent so the numbers could not be read.

Millikin room, board, tuition to be \$4,125

Tuition at Millikin University in Decatur will be increased by \$250 for the 1976-77 academic year. With the increase, annual tuition starting in September 1976 will be \$2,950.

At the same time, university officials announced there would be a 17 per cent increase in financial aid to assist students who are currently enrolled and need financial aid to continue their enrollment at Millikin. Millikin currently ranks near the middle, comparing private college tuitions.

The annual rate for living in university housing will be increased \$60, to a new annual figure of \$655. Millikin has had the same room rate for nearly eight years but now requires an increase to keep pace with escalating costs of operation, particularly utility charges. This fee is kept at a break-even rate, university officials said. Higher food prices and greater labor costs have necessitated an increase in the board charge by \$25 a year. This increase brings the annual board to \$630.

Combined room and board charges in 1976-77 will be \$1,285. These are lower than listed this year for public institutions as the University of Illinois (\$1,430) and Illinois State University (\$1,350).

With the increases, Millikin's tuition, room and board charges will total \$4,125 for the year.

STATE 'STREAM CLEAN-UP WEEK'

Department of Conservation personnel and community and youth groups throughout the state will organize a mass volunteer effort to clean up river and stream shorelines in mid-May. May 15-23 has been declared "Stream Clean-Up Week" in an effort to remove litter from the state's shorelines.

Volunteers will be needed in all parts of the state. Conservation Director Tony Dean said this week. Interested persons or groups may find their regional Department of Conservation office or the Springfield office at 217-783-6424.

Seminar for job seekers

A seminar on "how to get a job you want" will be held at Washington University Wednesday, April 21, from 6:30 to 9:30 p.m. in the January Hall conference room. Leaders will be Virginia T. McCarthy, syndicated columnist and career consultant, and Charles L. Lapp, Ph. D., professor of marketing and liaison placement director, Graduate School of Business, Washington University. Registration fee is \$10. To enroll, Quad-Cityans may send a check to Washington University, Box 1099, St. Louis, Mo. 63130. For further information, they may call 314-863-0100, Ext. 4261 or Ext. 4889. The seminar is open to job seekers of all ages. The program will assist them in preparing a plan to obtain employment.

Participants will have an opportunity to ask questions about their personal job hunting problems. Free career and job hunting literature will be available. Among the topics that will be covered are: assessing your strength and weaknesses; determining interest, talents and skills; factors to consider in choosing a job; matching your personal assets with job opportunities; preparing a total marketing campaign to sell yourself; and negotiating and finalizing terms of employment.

Rites Monday for former resident

Funeral services were held Monday morning at an East St. Louis funeral home for Ora "Slim" Medlin, 79, of East St. Louis, formerly of Granite City. Survivors include his wife, Mrs. Hazel Jean Medlin; two sisters, Mrs. Leola Graves and Mrs. Beulah Massey, both of Granite City, and a brother, Vernon Medlin of Evansville, Ind. Burial was in Greenwood Cemetery, Belleville.

PART-TIME EMPLOYMENT SERVICE LAUNCHED
The Illinois Department of Labor has begun operation of "Tempoready," the first temporary and part-time employment service run by a state agency. Labor Director Donald A. Johnson said the service will provide a cost-free means of introducing employers and job seekers for temporary or part-time employment. Seasonal jobs, part-time second jobs and jobs for students or homemakers are to be located.

Criticize delay in Ricco's II hearing

A petition asking that Granite City officials take action to permanently close Ricco's II, 3675 Nameoki Road, prompted a suggestion by City Council members Monday night that new legislation be sought to give municipalities more local control over operation of taverns.

The petition, bearing 240 signatures, was presented to the aldermen during the regular council session by Richard Skirball, representing members of the First United Presbyterian Church, 22nd Street and Delmar Avenue, who circulated the document.

It asked that "an establish-

ment known as Ricco's II at 3675 Nameoki Road be permanently closed and its license revoked for the reasons expressed to the Granite City liquor commissioner."

George Filcoff, city attorney, noted that Ricco's II liquor license already has been revoked by Mayor Paul Schuler as the city's liquor control commissioner, but that the order has been appealed to the Illinois State Liquor Control Commission which has not yet scheduled a hearing date.

"We ask them every week for a hearing, but all they will tell us is that we will be notified when a hearing is set," Filcoff

said.

Mayor Schuler explained that a hearing originally was scheduled in mid-February by the state commission, but it was postponed for 30 days when Anthony Augustine, the licensee, reported he was ill and unable to attend that hearing.

"If the 30-day postponement had held," the mayor said, "the hearing would be held tomorrow (Tuesday, March 20) but it turned out to be an 'open end' continuance and we have heard nothing further."

Under state law, Ricco's II continues to operate pending outcome of the revocation appeal.

Seventh Ward Alderman Emerald Dawes described the delay in the revocation as "downright outrageous" and told the council he feels "it is time for the mayor's council (The Southwestern Illinois Conference of Mayors) to put the pressure on and get the laws changed if necessary. We're not the only ones having trouble with the liquor commission."

"Mike Sasyk (mayor of Madison), and Collinsville officials also are facing this problem."

Alderman Warren Decatur of the Fourth Ward noted that a legislative committee was established to seek laws eliminating the state liquor commission, but it came to nothing.

Decatur asked Filcoff if Granite City could apply its "home rule" authority to supersede the state law as a means of improving local control over the liquor business. Filcoff replied that it could not.

Gerald Parmley, Sixth Ward alderman, said, "The people should know we are not sitting idly by. We are working on this. Even if the state commission rules against the Ricco's II operator there probably will be an appeal, and if it rules against the city there likely will be an appeal. This matter can be tied up a year or a year and a half."

The Ricco's II liquor license was revoked by Mayor Schuler last Dec. 23 following hearings that resulted from a fatal shooting and a slugging at the lounge on Dec. 8.

Smith plant for Ireland

A. O. Smith Corporation will open a manufacturing plant in Ireland to begin production of electric motors for sale in the Common Market, it was announced Monday afternoon in New York City.

Irish Premier Liam Cosgrave and A. O. Smith Vice President John M. Richardson made the announcement at a luncheon meeting of American industrialists.

Cosgrave said the A. O. Smith expansion was influenced by special financial incentives made available by the Irish government. He said these incentives are available to other companies wishing to open manufacturing facilities in Ireland.

NEW TRANSPORTATION METHOD. Frank McGinnis, losing captain, uses a wheelchair to provide a ride for G. H. Sternberg, winning captain in the Granite City Optimist Club's 1976 attendance contest. The activity Thursday afternoon attracted a crowd to Civic Park.

South Boosters to meet Tuesday

A meeting of the Granite City High School South Boosters Club will be conducted at 7:30 p.m. Tuesday in the old cafeteria, which is now room 138, it was announced today by Bob Austin, president.

Austin reported all candidates seeking election to the Granite City School Board of Education have been invited to speak at the session. The meeting is open to the public, Austin added.

PAPER DRIVE PLANNED

A paper drive will be conducted Saturday, April 3, by the Youth Department of Bethel Chapel Pentecostal church, 25th Street and Ohio Avenue. Those wishing to contribute old papers may have them picked up by calling 877-4664. Papers may be taken to the church.

Baker to address Thompson dinner

United States Senator Howard H. Baker Jr., senior senator from Tennessee, will deliver the keynote address at a major dinner honoring James R. Thompson, Republican nominee for governor. Baker is vice-chairman and ranking Republican on the Senate Select Committee on Presidential Campaign Activities.

Also expected to appear at the Thompson dinner at 6 p.m. Wednesday, March 31, in the International Ballroom of the Conrad Hilton Hotel, Chicago, are:

The Republican nominee for lieutenant governor, Dave O'Neal of Belleville.

Republican candidate and incumbent Illinois Attorney General William J. Scott.

Warriors open with 10-4 diamond win

Fifth-inning scoring by GCHS South, backed up by team Captain Randy Lyster's performance on the pitching mound, sparked Coach Conrad Champion's Warriors nine to a 10-4 season-opening victory Tuesday at Roxana.

The game was scheduled to be played Monday and was postponed then due to wet grounds.

Lyster started and went five innings, allowing three runs in the first inning before settling down to fan nine batters. He issued two walks.

Bryan Burjan relieved in the sixth and Tony Stajduhar in the seventh. Roxana tallied a lone run in the final inning, the seventh.

South trailed by a run going into the first after scoring twice in the first on a walk, a hit by

Eldon Warfield, a fielder's choice and an infield hit by Keith Champion.

In the fifth, Warfield tripled and tied the contest when Jeff Scarborough singled.

Keith Moran reached base on a fielding error and a pinch-hit single by John Lakin made it 4-3. Hit by a pitch, Jim Cedor loaded the bases. Two runs scored on a double by Tom Hennrich.

In the Seventh, Cedor, Hennrich and Mike Clark singled for a run. Two more crossed the plate on a triple by Warfield, who then reached home on a bad throw to the catcher.

Collecting hits for South were: Warfield three, Hennrich, Scarborough and Ed Prazna two each and Clark, Lakin, Champion and Cedor.

Free 'Ice Revue' at GC park rink Monday

The Granite City Park District's annual "Ice Revue" will take place at 7:30 p.m. Monday at the Wilson Park ice rink.

The public is invited to attend the show without charge.

Directing the 1976 revue is Pam Siefert, with Norma Wylie supervising a women's group number.

Many of those skating in the show have been involved in "Learn to Skate" classes at the local rink.

Solos will be presented by Paula Bargiel, Dawn Luebbert, Dana Jones, Alicia Null, Elizabeth Taylor, Mary Lee Bigham and Kim Kleinschmidt.

Competitive skaters performing from Granite City will include Debbie Bigham, Debbie Gebhardt and Pam Mitchell. Ellen Spraul, a competitive skater, also will appear.

Pairs numbers will feature Mary Lee Bigham and Kim Kleinschmidt, professional skaters and instructors at the Granite City rink, and Beth Worthen and Julie Goldstein in

Red Pepper sale

The Granite City High School South pep club, known as the "Red Peppers," will hold a bake sale Saturday from 9 a.m. until 4 p.m. at Schnuck's Market, 3801 Nameoki Road.

A spokesman said the sale will feature specialties from "old family recipes" as well as cakes, pies and cookies.

The Red Peppers use their money to honor and promote school athletic programs.

Indoor meet, then relays for South High track team

GCHS South's track and field Warriors will compete in their third indoor meet Saturday at 10 a.m. at Illinois State University at Normal, before taking to the fresh air to start the Warriors' outdoor season on Saturday, April 3. The latter event will be relayed at Belleville East.

Coach Don Miller's team faces five large meets involving multiple opponents before hosting Collinsville for a dual meet May 3.

South High's 1976 schedule follows:

(Unless otherwise indicated, all meets are varsity only)

APRIL

3—at Belleville East relays 9 a.m.

10—at Belleville East Mineral Area meet 10 a.m.

24—at Mattoon invitational 10 a.m.

MAY

1—GCHS South classic here 10 a.m.

3—Collinsville here 4 p.m.

4—(Frosh & soph) at Belleville East Invitational 3:30 p.m.

6—(Frosh) at GCHS North invitational 3 p.m.

8—Edwardsville here 4 p.m.

10—(Frosh & soph) at Dupu invitational 11 a.m.

10—(Frosh & soph) at GCHS North 4 p.m.

12—(Varsity & jayvee) at GCHS North 4 p.m.

13—Wood River here 4 p.m.

14—Riverview Gardens, Mo., (Soph) here 4 p.m.

18—at Cahokia invitational 4 p.m.

Double trouble for North School nine

GCHS North baseball Steelers stubbed their toes twice as the new season began this week, bowing 8-2 to the host Dupu Tigers on Monday and then suffering a 9-2 setback inflicted by Breese Mater Dei on the Steeler field Tuesday.

Coach Robert Stegemeier's squad could never catch up after Dupu opened with six first-inning runs. The Tigers added two in the second inning to offset North's lone runs in the fifth and seventh. Each team made seven hits; there were two Steeler errors and none by Dupu.

Larry Schleicher started. Junior Mike Germanceri retired six batters in a row during his stint on the mound, two of them by strikeouts. Chris Page pitched the last two innings, striking out one hit and scoring on an infield

grounder in the fifth. Later, hits by Schleicher and Davis provided another tally.

Garnaring hits were Richard Schmidt and Davis, two each, and Schleicher, Jody Falbani and David Goodyear. North stranded nine runners.

Only one of the Mater Dei Knights' nine runs was earned. "We walked 11," the Steeler coach noted, "and a team can't win by doing that."

Mater Dei scored in the first and third, adding two in the fourth and five in the sixth before darkness provided a merciful end.

Good year tripled and scored when Falbani hit to the centerfielder. Consecutive singles by Davis, Page and Goodyear accounted for a sixth-inning run with no outs. The next three batters struck out.

Stratger Corey was fanned by Gary Paul in the fourth and Steve Morris in the sixth. Goodyear and Page each had two hits and Davis and Schleicher also contributed safeties.

Strikeouts ended a third-inning Steeler threat after Schleicher tripled and Richard Schmidt walked.

World of motor sports more than a job to June Cochran

"My life's ambition is to help people in any way possible and also establish the fact that I'm June Cochran, a person with feelings just like anyone else," says a girl whose career has included being chosen as Miss Indiana and appearing in Playboy magazine.

Now one of the nation's top public relations persons for motor sports, she has made tours that have included St. Louis and the Quad-Cities and attended the 1976 St. Louis Auto Racing Fan Club "banquet of champions" to assist in honoring national and local race car champions.

A 54 blonde with hazel eyes and a smile that could put a toothpaste commercial to shame, she is one of 12 children whose family moved to Indiana from Tennessee so that her father could be near the Indianapolis Motor Speedway, home of the Memorial Day 500-mile race.

"Dad died at an early age," she relates, "which placed a great hardship on Mother and us."

Like many young girls, June Cochran dreamed of someday being a nurse or teacher, but she set those dreams aside to help support the family — working in a restaurant at the age of 13 from 9 p.m. to 7 a.m. and then attending school each day.

"I borrowed an older sister's identification card so I could work."

"I guess my first real break into the world came when I won the Miss Indiana contest and then competed in the Miss Universe pageant."

The Miss Universe contest led to a movie contract and later she contracted to appear in Playboy magazine, where she was honored as playmate of the month, and then playmate of the year and the 1969's playmate of the decade.

"Playmates" pose for the centerfold and a related photo series and also offer promotional work for the magazine and its chain of night clubs.

"Those things were an honor to me," she says, "but I think the highlight of my career has been my involvement and participation in motor sports."

"I have a true love for the sport."

As a public relations representative of major auto parts manufacturing companies at national racing events, she believes she is now fulfilling her ambition of helping other people.

"I have what is like a brother-sister relationship with the race car drivers."

"They'll talk with me about their problems and discuss things about their race car because they know I understand what they are talking about. To them, I'm just one of the guys."

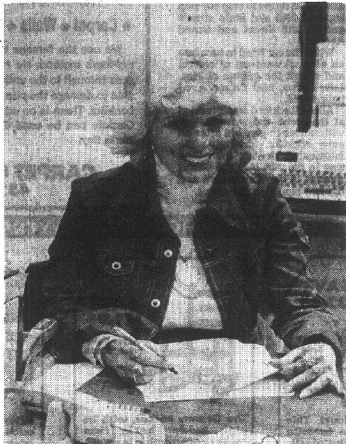

She believes almost anyone can be a trophy girl, but that there is a large turnover of such girls because few of them really love and understand the sport.

"I've discovered that nearly all race car drivers have an ambition of someday competing in the Indianapolis 500."

"To them, it's a status symbol to have competed in the richest paying auto racing event in the world."

"Race car drivers live life to its fullest and they have hearts of gold."

"An example is Jimmy Caruthers," she continued.

PLAYMATE OF THE DECADE June Cochran. She is shown studying a script before appearing on the Victory Lane radio show at Southern Illinois University at Edwardsville.

Miss Cochran described Caruthers, the 1975 U.S. Club dirt track champion who died of cancer last winter at the age of 31, as a "little devil."

"He was so full of life that he just vibrated with it, and he loved to pull practical jokes on the other drivers."

"He lived for the sport—even sense of the world — as a racer and as a lover of humanity."

With sadness in her voice, she remarked, "We lost a great person, not only racing but society itself."

"Jimmy was for the sport—even knowing that he would never again compete. And he departed the way he lived—a champion."

Miss Cochran said she believes auto racing is beneficial to the general public in ways other than providing family entertainment.

"Every race is a testing ground for many of the safety features built into today's automobiles."

"If an accident occurs during a U.S. Auto Club sanctioned program, a technical committee investigates it with a fine-tooth comb."

"The committee's findings as to how the vehicle can be made stronger—so that it could withstand such impacts in the future—and what can be changed or initiated to further insure the safety of a driver are passed on to the major auto manufacturers."

"The hope is that these findings can someday help save lives on the nation's highways."

"You know, most people aren't really aware of the racing scene—it's happiness, joy and sadness, and the caliber of competition involved."

Sometimes she is asked, "What is a race driver—some kind of nut out there trying to kill himself?"

Her answer is, "No, he is a special breed of person who believes in doing what he loves in the safest way possible."

Jerry Range heads Paddlers Swim Club

Jerry Range, 3258 Kilarney Drive, was elected president of Paddlers, Inc., last week by the non-profit swim club's board of directors.

Convened in the library at St. Elizabeth Hospital, the board session was the first since the annual stockholders' meeting Jan. 20 when five new directors were chosen to serve three-year terms on the board.

Beside electing new officers, the board also approved the annual budget and announced no increase in dues for the 1976 swimming season.

Paddlers' new president is product metallurgist for galvanizing in the Department of Metallurgy and Quality Control at Granite City Steel. He succeeds in the Paddlers office Joe Hassler.

Range reported Paddlers' twin-pool facility at 2121 Johnson Road will begin its summer operating schedule on Saturday, May 29.

Preparations for opening day are already under way, with landscaping projects at the pool site and construction of a walkway from the main pool to the recreational shelter expected to be completed soon.

Within the next two weeks, preliminary work to ready the pools for summer use also will start, Range said.

Other officers elected at last week's meeting included: Harold Becherer, executive vice-president; Jay Fineshrider, financial vice-president; Floyd "Butch" Peterson, operations vice-president; Mrs. Rose Hilker, membership vice-president; Mrs. Josie Diak, secretary; and Mrs. Jan Polach, treasurer.

Range named as committee chairman: Al Barnes, planning; Fineshrider, budget; Becherer, rules; Gayle McCormick, program; Barnes, publicity; Hassler and Roy Ponce, nominating; and John Modica and Becherer, representatives to SWISA (South West Illinois Swimming Association).

Information concerning purchase of stock or summer memberships presently may be obtained by calling Mrs. Hilker at 877-2736, Range announced.

Paddlers, a private swim club, is owned and operated by member-families who purchased individual shares of stock in the not-for-profit corporation.

BATTING TECHNIQUE is explained to Madison High School baseball players. Left to right, kneeling, are Head Coach Bill Campbell, Joe Gulash, Cedric Wilson and Assistant Coach John Paskus, demonstrating a grip on the bat. Standing, from the left, are Randy Thompson, Dwight Chillers, Bob Stern, Wendell McCaskill, Dan Hancock and Harold Williams. All the players shown are seniors.

Plains 73:2,3 ... "But as for me, my feet were almost gone; my steps had well nigh slipped. For I was envious at the foolish, when I saw the prosperity of the wicked."

David's words this week will ring a familiar bell for all of God's children everywhere. In all honesty and sincerity, we must admit, there were times when our feet were almost gone; I think we must be careful not to criticize or chastise ourselves unduly. We would not be normal persons if we did not at times question our circumstances. However, the scripture tells us in Romans 8:1 "There is therefore now no condemnation to them which are in Christ Jesus." Trust God, have faith in Him. The path is sometimes hard, but Christ will never leave you are forsake you. I believe we must praise God at once for all our trials, he is only showing us that we need Him Today!

Youth Conservation Camp workers apply

Five Youth Conservation Corps Camps will be operated in Illinois this summer, providing employment for young men and women in constructive conservation work projects.

The camps will be located at: Kaskaskia Experimental Forest, Crab Orchard Lake National Wildlife Refuge, Pere Marquette State Park, Chain O'Lakes State Park and Gum Ridge.

Goals of the Youth Conservation Corps' program are: to offer summer work ex-

perience in conservation; to develop constructive work habits; to provide environmental education opportunities and to offer the opportunity of living together with others.

A total of 294 youths will be hired throughout the state. Camp sessions may vary between four and eight weeks. Four to six people will live in a cabin or tent. Girls and boys will be housed in separate areas. Each camp will have a director.

All participants must have Social Security card, be between 15 and 18 years of age and furnish their own clothing, bed linen and transportation to and from camp. The kind of work involved will vary from camp to camp.

Pay will be \$2.20 per hour for a 30 hour week, but \$2 per day will be deducted to cover room and board.

Ten hours per week will be spent in an environmental education program, with the participants helping to develop and repair trails and picnic areas, a Youth Conservation Corps spokesman advised.

Due to the fewer number in the overall program this year, selection of participants will be made by lottery. Applicants will

ROLLER RINK BURGLARY

Two boxes of candy were the only things known missing after a burglary at Stoppetto's Roller Rink, 1823 Cleveland Blvd., which was reported at 9:45 p.m. Tuesday. Glass in a rear overhead door was broken to gain entry. The safe was forced open, but there was nothing of value inside, police were told.

be notified by April 23 whether or not they have been selected. Youths interested in attending any of the camps should apply before April 5 at the Illinois State Employment Office, 1820 Cleveland Blvd., Granite City. Office hours are from 8:30 a.m. until 5 p.m. Monday through Friday.

Woman faces five charges

Alice Blackford, 21474 Delmar Ave., faces five charges after her car allegedly was involved in a hit-and-run accident and a short police chase at 1:15 a.m. Wednesday.

She allegedly was driving an auto which collided with the car of Steven Thomas, 538 Fleming St., Mitchell, behind Rice's II Lounge on Namecki Road.

Sharon Hines, 18 of 3801 Lake Drive, Pontoon Beach, a passenger in the Thomas auto, suffered injuries which did not require hospital treatment.

Thomas told police the other car in the accident drove from the scene. He gave a description of the auto to police who saw one matching the description

driving in an erratic manner a few minutes later, it was alleged.

Officers followed the car, alleging it failed to stop for stop signs at 25th and State streets and at 28th Street and Grand Avenue.

When the car tried to turn into an alley, it went out of control and struck the garage of Mrs. Lulu Crews, 2439 Edison Ave., police said.

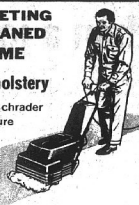

Alice Blackford was arrested at the scene and was charged with failure to give aid after an auto accident, driving while intoxicated, driving the wrong way in the 2600 block of Grand Avenue, a one-way street, and the two stop sign violations.

Economic recovery in Illinois—but state government could cause cash flow crisis

Illinois' economic recovery is continuing at a steady pace and the trend will accelerate during the second half of 1976, a spokesman for the Illinois State Chamber of Commerce testified Wednesday before the Illinois Economic and Fiscal Commission.

Richard A. Apland, vice president and general manager of the 19,000-member statewide business organization, warned, however, that "the state's economic recovery, affected by separate uncertainties than the national level, will have a heavy impact on final state revenue collections."

Apland testified at an IEFC Chicago hearing on "The Future of the Illinois Economy and Its Implications for State Revenues Through Fiscal Year 1977."

"Although we are forecasting increases in income and sales tax collections in Illinois, our projections are tempered by some reservations on how the Illinois business man and woman will respond to local conditions," Apland told the commission. "At best, Governor Walker's proposed 1976-77 budget is precarious in balance, even with his proposed speed-up collections."

"The State Chamber is strongly opposed to this means of injecting additional revenues into the coming year," Apland said.

"Not only is the speed-up of withholding, corporate income and sales taxes a temporary method of getting additional revenue—it will also create real hardships on the business community."

"Moreover, it will build \$100 million into fiscal year 1977 which will have to be made up in FY 1978, since this is only a one-time windfall—a false way to try to balance a budget. And it could precipitate a cash flow crisis for the state's next governor."

Apland forecast a slowing in the growth of major tax revenue sources for the general revenue and common school funds. He

said the Chamber's revenue projections show that only \$420 million in additional revenue from these state tax sources and interest income on state funds will be available to the state for FY 1977, which starts July 1.

He predicted total general revenue and common school fund collections at \$4,612,000,000, which is only \$25

million short of the IEFC's projections.

Citing Illinois' constitutional limitation that "appropriations for a fiscal year must not exceed funds estimated by the General Assembly to be available during that year," Apland warned that the legislature, more than ever, must keep a lid on spending.

He said the State Chamber

will soon introduce legislation to establish a spending ceiling tied to available revenues. He also urged prompt action on appropriation bills.

Apland said the Chamber will announce late this week the findings of a six-month survey of the attitudes of Illinois businessmen and women toward the state's business climate.

Bells will toll for 200th anniversary

A simultaneous, nationwide ringing of bells on July 4th will herald the country's entrance into its third century.

Communities, churches, schools, fire departments, universities and individuals will toll bells and carillons in conjunction with the ringing of the Liberty Bell in Philadelphia at 2 p.m. EDT (1 p.m. central daylight time).

The time selected is exactly 200 years from the precise moment that the Liberty Bell proclaimed the independence of the new nation.

John W. Warner, administrator of the American Revolution Bicentennial Administration (ARBA), announced that the Liberty Bell ringing program after consultations with community.

"There is great interest in this event," he said. "There is great interest in this event."

"Now, we are asking all Americans to join together on this historic occasion, and let the sound of every bell in the country ring out to declare our freedoms and signify our unity."

He added that he hopes that Americans living and working abroad will join in the salute.

The bell-ringing will go on for two minutes in commemoration of the nation's first two centuries.

Radio and television stations are being asked to broadcast the sound of bells during the period.

The nationwide effort is encouraged and supported by a Senate Concurrent Resolution of the United States Congress.

The Liberty Bell will be rung—amplified electronically because of the crack—in a symbolic national ceremony conducted by the Sons of the American Revolution at Independence National Park at precisely 2 p.m. (EDT).

With most of the country on daylight saving time, corresponding times are 1 p.m. CDT, noon MDT and 11:00 a.m. PDT. In Hawaii, it will be 8 a.m. standard time and in American Samoa 7 a.m. Bering time.

Alaska stretches four time zones from Pacific to American Samoa. In Guam, it will be 3 a.m. K Time of July 5. In Puerto Rico and the Virgin Islands, it will be 2 Atlantic time on the afternoon of the 4th.

Senior recital

Judy Ann Dublar, 1545 St. Clair Ave., will present her senior recital April 2 at 8:15 p.m. in the Lovejoy Library auditorium at Southern Illinois University at Edwardsville.

Miss Dublar, a student of the violin, will be assisted by Hal Scott, pianist, and Rose Brannely, violist.

Included on the program will be Sonata for Violin and Piano, Opus 24, by Ludwig van Beethoven; Duets for Two Violins by Bela Bartok; and Sonatina, Opus 100, by Anton Dvorak.

AUTO FIRE

An auto fire last week at Benton and Oregon streets destroyed a 1972 auto belonging to Paulette Coles of East Alton. Firemen, there for 45 minutes, found no cause for the blaze but set loss to the vehicle at \$1,400.

BPW seeks 'Women in History'

A special Bicentennial Year contest, sponsored by the Granite City Business and Professional Women's Club, will seek to recognize two "outstanding" women of the community—one living and one who is deceased.

Mrs. Shirley Adams, BPW public relations chairman, said resumes of accomplishments may be entered by a candidate,

her family, descendants or friends. Each will be screened and evaluated by a panel of civic leaders.

Announcement of the successful entries will be made at the "Public Relations Night" dinner April 21, when all candidates and representatives of the media will be honored. A special token of remembrance will honor the deceased woman,

Mrs. Adams explained.

The contest is open to all women in the community, 40 years of age and over. In the case of a deceased woman, the endeavor she engaged in must have occurred after the age of 40.

In both instances, a candidate must have resided in the Quad-City area at the time of her contribution to the community,

Mrs. Adams said.

A candidate for the "Woman in History" award does not have to be a member or have been a member of the Business and Professional Women's Club, it was stressed.

Areas of contribution in which a candidate must have excelled, include — community service, political figure (such as women's rights), business or a profession, religion (church and community), scientific and the arts.

A resume form may be obtained by writing Mrs. Adams at Box 92, Granite City, Ill. 62040, or by calling 451-9550 between 9 a.m. and 5 p.m. Monday through Friday.

Resumes are requested to be returned no later than April 5 to the Box 92 address.

Mrs. Adams said the program, suggested by the National Federation of Business and Professional Women, based on the book, "Born Female," by Caroline Bird, which focuses on

women who have pioneered in various fields in the United States.

TIME RUNNING OUT

Madison residents may obtain free city vehicle stickers until Thursday, April 1, after which there will be a \$5 charge. City Comptroller Albert Hudzik said his office in the city hall, 1528 Third St., will be open Saturday from 8 a.m. until 5 p.m. for citizens who could not come in during the week between 8 a.m. until 4:30 p.m.

BETROTHED. Miss Cheri Lynn Kuehne and Michael John Gossitt, whose engagement and plans for an August wedding are being announced by her parents, Mr. and Mrs. Bobby Kuehne, 2803 Warren Ave.

(Lastest Photo)

Gossitt-Kuehne engagement

Plans for an Aug. 21 wedding were disclosed with the engagement announcement of Miss Cheri Lynn Kuehne and Michael John Gossitt made by the bride-elect's parents, Mr. and Mrs. Bobby Kuehne, 2803 Warren Ave.

Parents of the prospective

groom, Mr. and Mrs. John W. Gossitt, reside at 1320 Williams, Cahokia, Ill.

Miss Kuehne graduated in 1975 from Granite City High School South and is presently attending Belleville Area College. She also is employed as a unit clerk at St. Elizabeth Hospital.

Her fiancé is a 1973 graduate of Cahokia High School and currently is attending the Missouri School for Doctors' Assistants and Technicians. He also works at St. Elizabeth Hospital.

Parents Club's April events

The April activities of Chapter 91, Parents Without Partners, will open with a family event April 5 at the Pizza Hut in Collinsville.

Other activities announced by the chapter president, Mrs. Evelyn Stephens, include a board meeting April 6 at the Union Savings and Loan, Collinsville, at 7:30 p.m.; Discussion on the topic, "Alone and O.K.," at 7:30 p.m. April 7 at home of Francis Poff, Belleville; a dance at the Cahokia American Legion Hall, April 10.

A children's Easter egg hunt at 2 p.m. April 11 at Maryville Lake, Maryville; general meeting at 7:30 p.m., April 12 at VFW Hall, 1234 Vandavia Ave., Collinsville, with the guest speaker to be a locksmith from Maryville, Ill., followed by an evening of dancing.

Another children's activity meeting April 14 with Sandra Sprinth; parents discussion on "Has the New Morality Influenced Your Views on Marriage?" at 7:30 p.m. April 15, with Vera Isabell, Collinsville; newsletter printing, mailing and discussion on "Pros and Cons of Abortion" at 7 p.m., April 19, at home of Vera McClelland; and a Saturday night social committee meeting April 21, with Mrs. McClelland. A Bicentennial visit to Springfield, Ill., is set for April 23. Those planning to attend are to call the president at 797-0341; Saturday night social on April 24, at 8 p.m. at home of Norma Jackson, 2454 Delmar Ave.; and a family fishing at 1:30 p.m., April 25, at Maryville (Ill.) Lake.

Shower by proxy fetes Mrs. Grupe

A cradle shower by proxy honoring Mrs. Sally (Grimes) Grupe of Denver, Colo., was given last week at the home of Mrs. Bonnie Grimes, 2641 Benton St.

Hosting the party were Mrs. Lorraine Grimes, the honoree's mother, and her sister, Mrs. Peggy Slover.

Mrs. Grupe and her husband Airman Dane Grupe, are former residents of Granite City. Airman Grupe presently is stationed at an USAF base in the vicinity of Denver.

Among the guests was the honoree's grandmother, Mrs. Grace Grimes of Venice.

Games were played and prizes were awarded. A dessert course was served by the hostesses.

Also present were Mesdames Emma Schleeter, Martha Rothstein, Shirley Wilkinson, Thelma Grimes and Cindy and Kathy. Bernadine Weidner, Emily Gibbs, Terri and Becky Grimes, Evie Owens, Grace Koelker, Terri Koelker and Sherri and Sara, and Misses Michele and Jeane Carriz.

Masquers present 'Glass Menagerie'

The Masquers Inc. will present Tennessee Williams' "Glass Menagerie" on stage at the BAC Minors Theater, Collinsville, Sunday at 2 p.m. and 8:15 p.m. and Monday at 8:15 p.m. A performance is also scheduled for Saturday

evening, April 3, at the Granite City High School South auditorium. Cast in the show are Carole Brown of Edwardsville, Timothy Quain of Granite City, Joanne Jorja of Edwardsville and Dennis Harrison of East St.

Louis. The production is under the direction of Chuck Norris of Belleville. Special admission rates are offered to senior citizens and students, at \$1 each. General admission is \$2. "The Glass Menagerie" is set in St. Louis during the depression of the 1930's. The script makes many references to the St. Louis locale, including Washington University, Soldan High School and Forest Park. The play tells the story of a

restless young man dominated by his mother, a former Southern belle, and plagued by guilt about the uncertain future of his crippled, introverted sister. Written by the brother of Collinsville attorney Dakin Williams, "The Glass Menagerie" is the third show of the Masquers' 1975-76 season, a season centered on the theme of Americana. The production is recognized as an official Bicentennial event

Annual Prayer Breakfast Sunday

The annual Prayer Breakfast of the Granite City Business and Professional Women's Club will take place at 8 a.m. Sunday at the Venice Recreation Center, 305 Broadway, Venice. Guest speaker will be Ronald Pennell, speech teacher at Granite City High School South. Special music will be provided by The Windes, a choral group from the Third Baptist Church, under the leadership of the Rev. John Nading, assistant pastor and director of music. Tickets for the breakfast cost \$2.50 per person and reservations may be made by calling Mrs. Delores Klesh, Prayer Breakfast chairman, at 876-

GRANITE CITY PRESS-RECORD Thurs., March 25, 1976 Page 21

1838, or Mrs. Pauline Weir, at 452-7528. Tickets will not be sold at the door, Mrs. Klesh advised. The public is invited to attend

Dewey Avenue Easter services

Maundy Thursday services will be conducted at 7:30 p.m., April 18, at Dewey Avenue United Methodist Church, 22nd

Street and Dewey Avenue, it was announced today by the Rev. Daniel Powers.

Golden Agers fete members

The Golden Age Circle Club met Tuesday at Kirkpatrick Homes Recreation Hall to honor birthday members and discuss future activities of the group.

President Mrs. Ruby Corbitt presided and introduced the birthday honorees, including Clara Kearney, Eva Durham, Harold Lynn, Minnie King, Frances Jones, Robert Allen and Vina Law.

Club members repeated the Lord's Prayer, followed with reports by Caroline Lux and Lumeta Durbin.

Mrs. Corbitt announced final plans to attend yesterday's Spring Fair at Southern Illinois University at Edwardsville. A second fair is scheduled at the St. Louis Arena on May 26, she said.

The first meal in the nutrition program was served Monday at the Senior Citizen's Center to a capacity crowd, it was noted.

Members agreed to send a memorial gift to the Shriner's Hospital for Crippled Children on behalf of the late Nancy McIntosh, a member who died last month.

Those reported ill were Bruce Taneey, Evelyn Davis and Leona Benham. Letters were read from U.S. Congressman Melvin Price and State Senator Sam Vadalabene, who will be guests at a future meeting.

Games were played and prizes were awarded to Grace Paddock, Vi Lindner, Ethel Stark, Nan Shone, Lumeta Durbin, Art Lindner and Ila Rankin.

Thirty-five members attended the monthly session. The April 13 meeting will be a potluck dinner, starting at noon.

Lydia Circle plans party

Mrs. Virgie Barks read verses from Psalms and Proverbs at a monthly meeting of the Lydia Circle held at the Namecki United Methodist Church last week. Mrs. Helen Metcalf gave the devotions.

The women of the church, with the circle serving as hostesses, will give a birthday party May 24 at Colonial Haven Nursing Home, it was announced.

Fresh cut flower arrangements centered the tables for a dessert luncheon.

Altar Society plans events

The Sacred Heart Altar Society met last week and made tentative plans for a dinner to honor all past presidents and to host a mother and daughter breakfast in May.

President Margaret Kwiatkowski presided. She introduced Mrs. Irene Argelan, who gave a report on the Diocesan Council of Catholic Women meeting held at St. Matthew's Church in Alton.

After the business session, entertainment was furnished by Deacon Mike Inyart and his guitar group and poems were read by Rose Mary Breyer.

Hostesses for the evening were Mrs. Breyer, Mrs. Gerry Werths and Mrs. Jackie Francis. They awarded a prize to Mrs. Shirley Vaughn, a new member, and welcomed another new member, Rose Mary Rudy.

Chapter HT hears Atty. Irvin Slate

Irvin Slate, a Granite City attorney, spoke on the Equal Rights Amendment at Monday afternoon's meeting of Chapter HT, PEO Sisterhood.

He stated the ERA bill was passed by Congress in 1971 and has been ratified by 34 states. The bill must be ratified by 38 states no later than 1978 to become law of the land. Illinois has not ratified the bill but the new state constitution essentially has the same wording, Slate reported.

Mrs. Arthur Menendez, 3261 Willow Ave., was hostess to the group and served a dessert course to 18 members prior to the business session.

A Coty College representative will be at the Metro-East Roundtable meeting in Fairview Heights on April 5, it was announced.

The next meeting will be with Mrs. E. F. Reiske, 2655 State St.

SIUE Young Careerist in BPW state contest

Cecilia "Suzi" Blackman of Wood River, a student at Southern Illinois University at Edwardsville, majoring in business administration, will compete for the state title, "Outstanding Young Career Woman of the Year," in competition April 23 in Chicago.

The contest will take place at the Illinois Federation of Business and Professional Women's state convention at the Palmer House.

Mrs. Blackman originally was named Outstanding Young

Career Woman of the Year in competition sponsored by the Edwardsville Business and Professional Women's Club (BPW). She advanced to the district competition at Belleville, where she also won.

Mrs. Blackman, who is a secretary in the SIU Foundation office on the Edwardsville campus, said that winning the Edwardsville competition was a shock, but winning at the district level was "the biggest shock of my life."

Upon learning she had won

the District 14 competition, she said her first reaction was to call her husband, Kenny, because Kenny and I share everything."

In addition to her busy schedule at SUE, Mrs. Blackman also serves as a deaconess in the First Baptist Church in Wood River, where she teaches Sunday school and sings in the church choir. Her other hobbies include making most of her own clothes and those of her 21-month-old daughter.

As District 14's Outstanding Young Career Woman, Mrs. Blackman has received a \$50 monetary award and a \$100 scholarship to SUE.

If the old saying that "three's

Girl Scout Court of Awards

Members and parents of Girl Scout Troop 330 attended a Court of Awards at Niedringhaus School cafeteria during Girl Scout Week. The ceremony began with a welcome given by Cindy Todaro and a flag ceremony presented

by Mary Holder, Marsha Fisher, Laura Maddox, Kathy Britz, Denise Darnell and Fawn Fitter.

Badges were presented by the leaders, Pauline Schank and Marilyn Bodnam, to the following girls: Roxanne Aleksandrian, Kathy Britz, Jaime Carter, Jane Chastain, Marsha Fisher, Nancy Griffith, Mary Holder, Laura Maddox and Stephanie Schank.

Year stars were given to Kathy Britz, Denise Darnell, Fawn Fitter, Mary Holder and Cindy Todaro. Five-year pins were awarded to Roxanne Aleksandrian, Jaime Carter,

Jane Chastain, Marsha Fisher, Nancy Griffith, Laura Maddox and Stephanie Schank.

Following the awards, troop members furnished entertainment for their guests. Refreshments of punch and homemade cookies were prepared and served by the girls.

Troop members unable to attend, who will receive their badges and stars later, include Marcia Conary, Monica McAnish and Kathy Nikonowicz.

MR. AND MRS. BILLY HELTON. They were married in an evening ceremony at Christ Gospel Church, 21st Street and Dewey Avenue. Formerly Miss Glenda Badgett, the bride is a daughter of Mr. and Mrs. Orvil Badgett, 2433 Missouri Ave.

*Helton-Badgett wedding
at Christ Gospel Church*

The wedding of Miss Glenda Badgett, a daughter of Mr. and Mrs. Orvil Badgett, 2433 S. Mount Airy, and Billy Helton, son of Mr. and Mrs. J. W. Helton, 219 Nevada Ave., was solemnized on Feb. 28 at the Christ Gospel Church, 21st Street and Dewey Avenue. The Rev. J. W. Helton, officiating, in service was the Rev. Jerry Blissett. The altar was decorated with bouquets of spring flowers.

Mari Ellen Allen presided at the organ as Norma Stegall, an aunt of the bride, sang "The Lord's Prayer".

and she carried a bouquet of carnations and baby's breath. Matron of honor Mrs. Brenda Hannon, a sister of the bride, carried a bouquet of carnations and baby's breath. The bridesmaids wore white dresses with polyester dress enhanced with a Chantilly lace trim. She held a bouquet of white carnations.

The groom chose Roy Badgett, brother of the bride, as his best man. Joe Helton, the groom's brother, and Keith Kester, brother of the bride, were the ring bearers.

A reception of guests was held in the Red Room of the Travelodge after the ceremony.

The bride's father, mother of the bride, and brother, mother of the

Candlelighters were Peggy Badgett and Sally Helton. Sisters of the bridal couple.

For her wedding, the bride wore a princess gown in a peat-green color, fashioned with high lace neckline and long, full sleeves.

Lace motifs appeared in the sleeves, skirt and chapel train. She wore a lace Juliet cap to secure a shoulder-length veil

brides, badge to the dress and a white lace veil. The groom and the groom's mother, Mrs. Helton, selected a navy blue and red rock.

The bride graduated from Graceland City High School. Her husband attended Vienna School in Missouri and is employed by Consolidated Flavor Corp., St. Charles, Mo.

They are residing in Iberia, Mo.

and she carried a bouquet of carnations and baby's breath. Matron of honor Mrs. Brenda Hannon, a sister of the bride, selected a full-length blue polyester dress enhanced with a Chantilly lace trim. She held a bouquet of blue carnations. The groom chose Roy Badgett, a brother of the bride, as his best man. Joe Helton, the groom's brother, and Keith Kenworthy served as ushers. A reception of guests was held in the Red Room of the Travelodge after the ceremony.

The bride graduated from Granite City High School South. Her husband attended Vienna School in Missouri and is employed by Consolidated Flavor Corp., St. Charles, Mo. They are residing in Iberia, Mo.

Fly-up, investiture for troops

Brownie Troop 621 and Junior Girl Scout Troop 591 joined together to present a candlelight fly-up and investiture ceremony at a special PTA meeting held at McKinley School last week.

Yearning for Association members were presented to the Brownie Scouts. Junior Scouts received cooking, needlecraft, housekeeping, pet, active citizen and Bicentennial badges.

Participating in the evening activities from Brownie Troop 621 were Christi Adams, Nina Brook, Kim Grimm, Candy Martin, Denise Pirie, Alice Snyder, Tana Stewart, Dawn Stoklosa, and Susan Starnes. Junior Scouts were Cathy Trout, Janice Warren, Cayla Trout, Janice Neporandy, Laura Ingraham, Tana Baranica and Mascot Eric Warnhoff. Troop

Leaders tending were Mrs. Charlotte Warnhoff and Mrs. Joyce Angle.

Members in attendance from June Scout Troop #251 were Julie Johnson, Cassandra Becerra, Angela Martin, Shelly McCernan, Michelle Jones, Lisa Adams, Renee Emery, Kim Coleman and mascot Earl Jay Warren.

Anna Warren was a former Brownie leader, Mrs. Norma Pirie.

In observance of Girl Scout Week, both troops attended Girl Scout Thinking Day at STEC and a skating party at Stopkotte Skating Rink. For a window display at Goodwill Store, members of the Brownie troop made replicas of pioneer women from clotheprints and the Girl Scouts made a Bicentennial Flag.

GC history program at St. John

Steven Suess will present an historical commentary on the birth and growth of Granite City at both the 9 a.m. and 10:30 a.m. Sunday worship services at St. John United Church of Christ, 2901 Nameki Road. It is the thirteenth program in a continuing Bicentennial series to be presented at the church this year.

Suess, Bicentennial publicity chairman, said his presentation starts with the development of Kinderhook, covers the Niedringhaus years, outlines the initial industrialization period and brings the history of the 1850's and 1970's up to date.

Sunday's commentary will be a sequel to the program presented by Mrs. Georgia Engleke on the development of Six Mile Prairie two weeks ago. St. John Chancel Choir, under the direction of Mrs. Irene Barrick Rapp, will present "Unfold Ye Portals" at both services.

Area residents are invited to attend the special Bicentennial worship service commemorating the development of the Quad-Cities' area.

FINED FOR THEFT OF BASEBALL EQUIPMENT

Two Edwardsville youths charged with stealing baseball equipment from the equipment trailer at the Southern Illinois University at Edwardsville baseball field have been fined \$200 each and placed on two years of supervised probation. Carl Levering, 17, and Steven Fensterman, 17, also were ordered to pay court costs on the petty theft charge.

The youths were arrested March 8 following an investigation by university police. The theft occurred March 1. Police said all missing equipment was recovered at the homes of the two youths.

Missionary to speak Sunday

The Rev. Donald E. Phillips, an Assemblies of God missionary to southern Africa for 14 years and recently assigned to Holland, will be guest speaker Sunday at 7 p.m. at the Tri-City Park Tabernacle, 2601 Clark St. The Rev. J. Albert Calaway, pastor, has announced. The public is invited to attend.

Experiences as missionaries in this special service will be shared with the audience by the Rev. Phillips and his wife, Thea. Slides of the southern portion of Africa will be featured.

The Rev. and Mrs. Phillips recently completed a five-and-a-half year term working in Rhodesia, South Africa, and in Botswana. In Rhodesia they ministered for one year in general missionary work — evangelism, church — planning and literature distribution.

The couple was transferred to South Africa where the Rev. Phillips served as dean and instructor in the College of Theology at Johannesburg. Mrs. Phillips, who specializes in working with the deaf through sign language, also taught at the college. The

minister later established a Bible school for multitudes called Trinity College which merged with the African Bible College in Rustenburg. During this time, the Rev. Phillips also served on the executive committee of the Missionary Field Fellowship for southern Africa. In this capacity, he assisted with the administration of the Assemblies of God work in that region.

After four years in South Africa, the couple was transferred to Botswana where the Rev. Phillips served as principal of the Assembly Bible College, the only resident Bible school in that country.

The Rev. Phillips is a second-

GRANITE CITY PRESS-RECORD Thurs., March 25, 1976 Page 23

generation missionary. He went to Nigeria in 1959 with his parents, Mr. and Mrs. E. L. Phillips, the first Assemblies of God missionaries to that country.

In preparation for their missionary career, Donald and Thea Phillips graduated from Central Bible College, Springfield, Mo. The Rev.

Phillips also received the MA degree at Central.

Upon receiving appointment as Assemblies of God missionaries in Nigeria for two terms of service.

During their next term the Phillips' will be teaching in the Halle Bible College in The Hague, Netherlands.

TO MARRY. Miss Annette Ousnamer, whose engagement to Johnny George is being announced by her mother, Mrs. Lorene Bradford of Rockford, Ill., formerly of Madison. A June 4 wedding is planned.

Annette Ousnamer is engaged

Mrs. Lorene Bradford, 1240 Thirty-ninth Ave., Rockford, Ill., formerly of Madison, is announcing the engagement of her daughter, Miss Annette Ousnamer, to Johnny George, a son of Mr. and Mrs. Bobby George, 2422 Cleveland Blvd. The bride-to-be is attending Madison High School and

Mrs. Louis Meek reviews book

Mrs. Louis Meek reviewed the book, "President's Lady," at the Ladies Coterie meeting held last week at the First United Presbyterian Church. Mrs. Mark Pickett was the program chairman.

Hostess Mrs. George Filloff served a dessert luncheon to 29 members and the club closed given by Mrs. Henry George. Mrs. Lyndell Hagaman led the pledge to the flag and Mrs. E. T. Heiske presided at the piano as the group sang "America."

President Mrs. Alfred Pape read a note of thanks from the radio commission for the club's contribution to "talking books for the blind."

Invited to attend musical campaign

Quadrant City area residents have been invited to attend musical crusade to be presented by Doris Akers April 2, 3 and 4 at the Cathedral of the Crossroads in Florissant, Mo.

Pastor James Drysdale said that Miss Akers is widely known as a composer of such songs as "Sweet, Sweet Spirit" and has made many recordings backed by such singing groups as the Statesman Quartet.

Friday and Saturday services will begin at 7:30 p.m. and the Sunday service will begin at 8 p.m.

PAUL COOKE HONORED AT COLLEGE DINNER

Paul Steven Cooke of Granite City was honored at the 21st annual honors dinner held on the Westminster College campus, Fulton, Mo. Cooke, a sophomore, is the son of Mr. and Mrs. William P. Cooke, 3706 Ruth Drive.

The dinner, sponsored by the campus' national scholastic honorary, Alpha Chi, recognizes those who have shown high scholastic achievement and who, by all indications, will be able to join the honorary society when they meet the class hours requirements.

Legal secretaries to elect

The Madison County Legal Secretaries Association will hold its regular meeting on Tuesday, April 6, at the Red Baron Lounge, Civic Memorial Airport, East Alton.

The regular April meeting will be to elect officers and receive reports of officers and chairmen.

Those running for office are: president—Connie Long and Bernice Pinkas; vice president—Virginia Cherry and Betty Cole; recording secretary—Ronda Thomas and Arnetta Whitlock;

Nameoki Presbyterian events

The Nameoki United Presbyterian Church, 1700 Pontoon Road, will host a spring rummage sale from 9 a.m. to noon on Saturday, according to the pastor, the Rev. Don Pierson.

Also planned for Saturday is a spring cleaning and yard work on the church grounds and parking area.

Band parents plan election

North High School Band Parents met last week in the school library to appoint a committee to prepare a slate of officers for election and discuss plans for band members.

Parents to assist at the April 5 concert at North High School also were named.

The group discussed a trip to Band Day at Six Flags Over Mid-America for North band members to hear several bands perform, and made tentative plans for the seniors' honor banquet.

The next meeting will be at 7:30 p.m. April 6, when officers for the ensuing year will be elected. Fifteen attended the session.

BUNKO ETTES HONOR

MRS. BLEVINS

The Bunko-Ettes Club presented a gift and decorated cake to Mrs. Juanita Blevins in honor of her birthday at a meeting hosted last week by Mrs. May Ebling.

Those winning prizes at games were Mesdames Angie Buehler, Julia Portell, Leona Delaloye, the hostess and Mrs. Blevins.

Also present were Mesdames Helen Lipchik, Helen Santagato, Rose Drune, Florida Batson, Ruth Farney, Evelyn McCollegan and Dorothy Barnett.

Terri Dix to marry in June

The engagement of Miss Terri Lynn Dix and Brian Elliott Keister is being announced by the bride-elect's parents, Mr. and Mrs. Hugh W. Dix, 2702 Buxton Ave.

Miss Dix will graduate in June from Granite City High School South.

Her fiancé is a son of Mr. and Mrs. Ervin Keister, 552 S. 13th St. He is a 1976 graduate of Southern Illinois University at Edwardsville, where he majored in mass communication.

Stylists give demonstrations

Mrs. Judy Broshow and Michael Hopke, both of Granite City, conducted a class on new styles and hair shapings for spring and summer last week at the Trend International Beauty College, Collinsville.

Each demonstrated specially designed hairshapings to create new dimensions and accent the face and natural head form. Individualized geometric forms are especially attractive, the instructors said, adding that a professional perm will give the support to the smooth, curled or waved variations.

Mrs. Broshow, first vice-president of the Elite Hairdressers and Cosmetologists Association, is a member and past chairman of the hair fashion committee. She also owns the New Breed Unisex Styling Salon.

Hopke belongs to the Elite Hairdressers and is a stylist at the New Breed salon.

Models for the class presentation were Renee Tompkins and Jennifer Hoffman.

Minerva Women mark birthday

The Minerva Women's Club held its annual birthday party last week in the home of Mrs. George Cook, 3111 Colgate Place with Mrs. Earl Benoit serving as co-hostess.

Mrs. Louis Meek, a guest, presented a reading in honor of the Bicentennial Year, entitled "The Order of the First Purple Heart," as told by Rupert Hughes.

There was an exchange of gifts between the members, and prizes in games were awarded to Mrs. Kurt Merz, Mrs. Shirley Goff and Mrs. Charles Weiss.

Others in attendance were Mesdames Fred Barr, Maurice Burgess, Pat Busch, Paul Halbert, Frank Kraus, Edward Laub, Leo Manogian, Fred Mercer, Keith Parker, Kenneth Rapp, Clem Rehagen, Alan Skirball, Jack Solberger and Elaine Shipcoff.

The next meeting will be with Mrs. Rehagen at 53 Riviera Drive.

ROYAL ARCH MASONS Chapter 221 installs 1976-77 officers. First row, from left to right — John Wood, chaplain; Leo Lipe, king; V. Robert Mateosian, excellent high priest; Earl French, scribe; Clifford Hickey, captain of the host; and Joe Vaughn, secretary. Second row, from left — Bill Mehl, treasurer; Howard Prewett, organist; Billy Prewett, principal journeyman; Walter Bergfeld, installing marshal; and Ray Penn, installing chaplain. Third row — M. Mike Petrosian, past excellent high priest, left, and Ralph Hornbuckle, installing officer.

Chapter KU hears historical facts

The history of the Liberty Bell and Statue of Liberty was explored in detail Tuesday evening at a meeting of Chapter KU of the PEO Sisterhood.

Mrs. Austin Witter, 2335 Zippel Ave., entertained 22 members for the March program.

As part of the chapter's Bicenennial Year program, Mrs. William D. Burckey and Mrs. D. B. Mullen presented a comprehensive background study of America's most famous historical objects, including lesser-known facts surrounding the acquisition of the Liberty Bell and Statue of Liberty.

In the business session plans were completed for an April 1 dinner-theater party on the Goldenrod Showboat, St. Louis, at which members will entertain their husbands.

Mrs. Leonard Davis, 3728 Fair Oaks Drive, agreed to host the chapter's next meeting in her home.

Mrs. Witter served a dessert course following the program.

Miss Kathy Grisham and Thomas Burns are wed

Miss Kathy Grisham, a daughter of Mr. and Mrs. E. Ray Grisham, 82 Shirwin Drive, and Thomas Burns, son of Mrs. Norma Burns, 2613 Sheridan Ave., exchanged wedding vows in an afternoon ceremony on March 20 at the New Covenant Fellowship, St. Louis.

The Rev. Bob Becket performed the double ring ceremony at 1 o'clock in the candlelight sanctuary, decorated with floral arrangements.

Soloist Jerry Londe sang The Lord's Prayer. Other nuptial selections were provided by a group of church musicians.

Escorted to the altar by her father, the former Miss Grisham wore her mother's wedding gown. The dress was fashioned of ivory Chantilly lace and designed with a fitted bodice and long tapered sleeves terminating in points over the wrists.

A chiffon ruffle edged with lace and accented with pearls and sequins trimmed the scoop neckline. A lace panel centered the front and back of the skirt, with tiers of ruffles cascading on both sides into a cathedral train.

She wore an ivory Chantilly lace headpiece to hold in place a

lace-bordered ivory veil and she carried a bouquet of roses and carnations.

Miss Carol Grisham, a sister of the bride, was maid of honor. Her gown was created of mint green polyester with short sleeves, a big collar forming a cape effect and an A-line skirt, slightly gathered in the front.

The bridesmaids, Miss Gena Rhine of Eldorado, Ill., a cousin of the bride; Mrs. Lisa Morley of Granite City, Mrs. Annie Ashby of Charleston, Ill., and Miss Sandy Dekker of Malta, Ill., selected identically designed gowns in apricot and yellow hues.

Serving as junior bridesmaids and junior groomsmen were Karen and Chris Hennessey, Don Hennessey, cousins of the groom, and Todd Barnes, the groom's brother.

All the attendants wore ribbon headpieces and carried baskets of pom-pom daisies in colors to match their attire.

Cindy Grisham, a cousin of the bride, from Johnston City, Ill., served as flower girl. She appeared in a mint green frock and held a basket of blossoms.

The groom chose his brother,

Tim Burns, as best man. Bud Brawley, Ron Mullen, Kevin Ashby, Dennis Gilmore and Scott Miller completed the corps of groomsmen and ushers.

Guests were received at a reception held at the church immediately following the service.

Ray Nell Grisham and Charlene Pohlman assisted in serving. Kim Hunt and Oma Rhine, presided at the gift table and Shelly Pohlman registered the guests.

Mrs. Burns, mother of the groom, hosted a rehearsal dinner at Charlie's Restaurant.

After a wedding trip to Pere Marquette Lodge, Grafton, the newly married couple will reside in Charleston, where both are attending Eastern Illinois University.

A graduate of Granite City High School South, the bride is majoring in home economics at EIU. She is a member of the American Association of Home Economics, and EIU honorary sororities. She also is a part-time Mary Kay beauty consultant.

The groom graduated from

South High School and attended Southern Illinois University at Edwardsville for two years. He is majoring in junior high education at EIU and is a part-time employee at Eisener's Grocery in Charleston.

For her daughter's wedding, Mrs. Grisham appeared in a long, princess-style apricot gown trimmed with matching lace at the neckline and on the sleeves.

The groom's mother, Mrs. Burns, selected a pink jacket and dress ensemble with chiffon sleeves.

Out-of-town guests included Mr. and Mrs. Leland Grisham, grandparents of the bride, and Mr. and Mrs. Gene Rhine and Gena, Clint and Gordon Vaughn, all of Eldorado, Ill.; Mr. and Mrs. James Grisham and Cindy, Johnston City, Ill.; Mr. and Mrs. James Perry and Mrs. Rachel Perry, Jonesboro, Ark.; Mr. and Mrs. Tom Reichart, Virden, Ill.; Mrs. Emma Paul, the bride's great-aunt, and Mrs. Anne Williams and son, Rex, Springfield; and many guests from the Charleston area.

MR. AND MRS. THOMAS BURNS. They were married in a candlelight service at the New Covenant Fellowship, St. Louis. The bride is the former Miss Kathy Grisham, a daughter of Mr. and Mrs. E. Ray Grisham, 82 Shirwin Drive.

(Paul Boyer Photo)

Stallings School PTA nominated a slate of officers to be elected at the April meeting, and accorded special recognition to members who were given awards at the annual Granite City Area PTA Council awards banquet during its monthly session held last week in the school gym.

President Mrs. Ruth Jorgensen announced the candidates include: Mrs. Judy Kopechak, president; Mrs. Janet Simpson, vice-president; Mrs. Audrey Ribbing, first vice-president; Edward B. Bink, second vice-president; Mrs. Beth Bladdick, secretary and Mrs. Wilma Bowen, treasurer.

Other nominations may be made at the April 15 meeting. The president reported 16 members attended the area council banquet and those honored were Roy Seaman and Robert Anderson, both teachers at Stallings, who received booster awards; Mrs. Maude Bates and Mrs. Yvonne Counts for "distinguished" service and length of continuous service to the school and PTA; Phyllis Meyer, "rookie of the year" award; and Judy Kopechak who was presented the highest award for "outstanding" service. Each received a trophy with the exception of Mrs. Kopechak who was given a necklace.

The pledge to the flag and prayer were given by Becky Williams and reports were submitted by Mrs. Pat Peterson and Mrs. Bates.

Mrs. Jorgensen will continue to sell old-fashioned candy sticks for 10 cents and heavenly hash candy bars for 35 cents at the school following the lunch hours, it was announced.

She also reported the Pontoon Beach Coordinated Youth Services donated 20 tickets to

Stallings PTA to elect

Stallings School PTA nominated a slate of officers to be elected at the April meeting, and accorded special recognition to members who were given awards at the annual Granite City Area PTA Council awards banquet during its monthly session held last week in the school gym.

President Mrs. Ruth Jorgensen announced the candidates include: Mrs. Judy Kopechak, president; Mrs. Janet Simpson, vice-president; Mrs. Audrey Ribbing, first vice-president; Edward B. Bink, second vice-president; Mrs. Beth Bladdick, secretary and Mrs. Wilma Bowen, treasurer.

Other nominations may be made at the April 15 meeting. The president reported 16 members attended the area council banquet and those honored were Roy Seaman and Robert Anderson, both teachers at Stallings, who received booster awards; Mrs. Maude Bates and Mrs. Yvonne Counts for "distinguished" service and length of continuous service to the school and PTA; Phyllis Meyer, "rookie of the year" award; and Judy Kopechak who was presented the highest award for "outstanding" service. Each received a trophy with the exception of Mrs. Kopechak who was given a necklace.

The pledge to the flag and prayer were given by Becky Williams and reports were submitted by Mrs. Pat Peterson and Mrs. Bates.

Mrs. Jorgensen will continue to sell old-fashioned candy sticks for 10 cents and heavenly hash candy bars for 35 cents at the school following the lunch hours, it was announced.

She also reported the Pontoon Beach Coordinated Youth Services donated 20 tickets to

students who attended the Jaycees matinee.

The Junior Girl Scout troop, sponsored by the PTA, has been disbanded as no leaders were available. Den leaders for Cub Scouts also are needed, it was announced. Anyone interested in becoming a den leader is asked to contact Mrs. Audrey Hart at 931-0299. She reported Cub Scouts will hold a rummage sale on April 3 and donations should be delivered to her no later than March 31.

Other announcements included a free foodarama session on March 30, 31 and April 1 at the Lewis and Clark Community College and the PTA Area Council meeting tonight at Mitchell School.

Prizes were won by Mrs. Bates and Mrs. Donna Waters. After the meeting, Mrs. Jeanette Loyet, school nurse, showed three films to the parents. Entitled "Naturally a Girl," "Girl to Woman" and "Boy to Man," the movies were followed by an open discussion.

Fifth grade room mothers served refreshments.

RONALD WECKMANS NAME SON GREG ALLEN

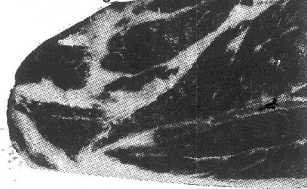

Mr. and Mrs. Ronald Weckman, 2620 E. 27th St., have selected the name Greg Allen for their son, born March 3 at Christian Northwest Hospital, Florissant, Mo.

The new arrival weighed five pounds, eight ounces. He has a 4-year-old sister, Kerri.

Grandparents are Mr. and Mrs. William Weckman and Mr. and Mrs. Paul Richards. The infant also has a great-grandmother, Mrs. Helena Ostrie. All live in Granite City.

SEAMAN GRADUATES
Navy Seaman Recruit James A. Belling, son of Mr. and Mrs. William J. Belling, 2536 Pine St., has graduated from recruit training at the Naval Training Center, Orlando, Fla. Classes included instruction in seamanship, military regulations, firefighting, close order drill, first aid and Navy history.

A squad car donated by Nameoki Township to the special State Park Police Unit 33A, but inactive since before the primary election, may return to service by this weekend if Madison County Sheriff John Maeras approves plans modifying the makeup of the department. The department, which had been active only a short time since receiving a \$9,500 grant from Nameoki Township, was temporarily suspended by its chief, Joe Boyer, earlier this month after charges the policemen were using the department in favor of Boyer's candidacy in the primary election for the Madison County Board. Boyer was unsuccessful in

winning nomination to the board, but three volunteer policemen, angry over operations being suspended, voted to oust Boyer and Assistant Chief Lawrence Slack, a Boyer supporter, from the force. Boyer contended he and Slack could not be removed by a vote of the other policemen, but both resigned from the department during a public meeting one week ago.

Maeras, citing political divisions in the department and noting only three volunteers remained, suspended the department. They had been certified as "supervisors of safety" under Maeras. The three remaining officers contacted a group of six men who had been certified as supervisors of safety and are attempting to establish a similar police unit in the northern portion of Nameoki Township to serve Nameoki Precincts 3, 5 and 11.

Nicknamed the Miracle Manor unit, the new group has applied to Nameoki Township for a grant from federal revenue sharing funds to pay for a police car, uniforms, guns and other necessary equipment. The State Park unit was established under a similar grant of \$9,500 from Nameoki Township, and the problems of that unit are being studied by the township's finance committee before it decides whether to approve the Miracle Manor group's request.

In the meantime, four of the Miracle Manor policemen have agreed to volunteer for temporary duty with the State Park unit to get experience before the new unit is established. Nameoki Township Supervisor Louis Whitsell joined the volunteers Monday in presenting the proposal to Sheriff Maeras. He said Maeras has requested a change in the bylaws of the State Park unit, eliminating the chief and assistant chief positions and establishing a department vice-chairman, secretary, treasurer and director. He indicated he would approve the seven-man force if the by-laws are amended and new

officers selected. He also indicated the department should attempt to avoid becoming involved in politics.

A meeting is to be arranged to elect officers and make the requested changes, after which Maeras is expected to return the authority to the policemen to patrol, control traffic and assist sheriff's deputies in arrests and investigations.

What impact that will have on the pending request for funds to establish a Nameoki area police department in the northern portion of the township will not be known until the next meeting of the township's finance committee.

At Monday night's Nameoki Township Board of Auditors meeting, Finance Committee

Chairman Norman Hessler announced the committee is expecting to complete the budget with one more meeting. That meeting will not be held until after the public hearing on the highway commissioner's budgets Tuesday night, he said. The hearing on the highway budgets is to begin at 7 p.m. Tuesday in the Nameoki Town Hall, 4250 Highway 162.

GCHS debate teams to state tourney

From a field of 26 teams, both Granite City High Schools North and South placed among the top seven teams which allows them to participate in the Illinois High School Association State Debate Tournament to be held at Bradley University in Peoria beginning Saturday.

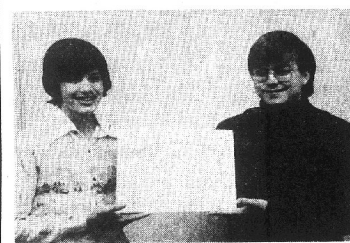

Larry Wyatt and Nancy Weil will represent South and John Kastelic and Mike Taylor will represent North.

P. Gordon Nueller coaches the North team and Ronald Pennell coaches South. This is the 11th consecutive year that South has participated in the state tourney.

At the sectional, South had 10 wins and two losses and North had nine wins and three losses. There will be 50 teams participating in the state tournament.

REPRESENTING GCHS SOUTH in the Illinois State Debate Tournament are Larry Wyatt and Nancy Weil. Seven teams out of 26 in the sectional debate tournament held at South last week qualified for the state competition. Both North and South teams finished in the top seven.

GCHS NORTH DEBATE TEAM of John Kastelic, left, and Mike Taylor finished in the top seven teams at the Illinois High School Association Debate Sectionals held last week at GCHS South. John and Mike will now represent North at the Illinois State Debate Tournament to be held at Bradley University in Peoria this weekend.

Venice youth faces charge

John D. Wallace, 17, of 611 Filmore St., Venice, was charged this week with theft. Police said the arrest was made in relation to the alleged burglary of the home of Mrs. Catherine Hildebrand, 448 Lincoln Ave., Venice, at approximately 2 a.m. Saturday. Police said they are checking what was taken and what has been recovered. Several of the items reportedly taken such as cameras, silver trays and old coins amounted to several thousands of dollars in value, police said. Police are seeking a 15-year-old boy who may have been connected with the theft. Wallace is being held in the Madison County jail pending court action.

Sewer cleaning and grouting utilizing TV inspection of underground lines is yielding 'remarkable results'

A report to the City Council this week on sanitary sewer grouting is highly encouraging.

The review by Superintendent of Streets Lionel Portell and City Engineer Monroe Brewer relates to remote-control television inspection, cleaning and repair of underground lines. The process utilizes equipment that was purchased by the Council following evaluation by alderman and by a citizen commission appointed by Mayor Paul Schuler.

Although the progress is slower than the initial projection due to the high water table and other severe conditions encountered, improved speed is being attained and the method is proving to be unexpectedly effective, Portell and Brewer related.

Their report concludes that "remarkable results" have occurred, justifying acquisition of a second \$40,000 set of equipment so that the cleaning and grouting can be carried out in three years rather than six.

Of the 22 miles of underground lines now

No Quad-City candidates for Belleville College board

Eight candidates, including an incumbent, Milton D. Smith of Belleville, filed for two positions on the Belleville Area College Board of Trustees this spring. None reside in the Quad-Cities, perhaps reflecting local frustration over last year's inability to elect either of two local candidates.

Contenders in April 10 balloting will include two Mascoutah residents, Edward A. Roof and Elizabeth Jenner, Sam Gillespie of Collinsville and four other Belleville residents, Terrence G. Scandrett, Leonard J. Cuoco, Eric Lehr and Robert H. Dintelmann.

Savings bond campaign led by National Steel chairman

The United States savings bond program is of special interest here this year for several reasons; 1976 is the nation's Bicentennial year, present economic conditions can be aided by extensive public participation in bond purchases, and National Steel Corporation Chairman George A. Stinson is the current nationwide chairman of the U.S. Industrial Payroll Savings Committee.

Henry D. Karandeff, veteran volunteer Madison County savings bond chairman again is coordinating the drive in this

under water—installed a generation ago when groundwater was lower and when specifications were less strict—nearly two miles have been videotaped and more than a quarter-mile has been grouted.

The section infiltrated by water so far affects only a third of the Nameeki area and could grow if there are further rises in the water table.

Even if the infiltrated portion does not increase, there are numerous costly sewer break repairs and replacements remaining to be made, along with such problems as pipe "bellies" where the water is so dirt-filled that clear TV images cannot be obtained.

But what is being accomplished is reducing the scope of the overall dilemma—and also is credited with having the ability to prevent at least some potential future sewer breaks.

A total solution remains far away. But, thanks to the decision to televise, clean and grout the sanitary sewer pipe network, there apparently is "light at the end of the tunnel."

The board appears to be of generally high caliber and there has been an excellent working relationship between the BAC administrative staff and Quad-City schools in planning a wide range of instructional offerings for adult education and vocational training.

Because of the size of the local population, it would appear appropriate for there to be some direct Quad-City representation on the Belleville Area College board. This obviously won't be the year to gain a board position, but perhaps ways of making this more likely next year can be explored in 1976.

National Steel chairman

region, aided by such individuals as Granite City Steel President Robert D. McBride, host at yesterday's bond campaign kickoff breakfast.

Madison County industries, banks and employees have cooperated in developing a high level of payroll savings here ever since Pearl Harbor emphasized the importance of strong defense preparedness and an equally strong American economy.

This year's campaign appeal seems particularly appropriate—"Take stock in America—200 years at the same location."

Long musical heritage at St. John

From the Editor:

To the first tranquil note of the prelude, to the final climactic chord of the postlude, music creates and maintains the mood of every worship service by peeling forth a special message to each person in the congregation.

In the same respect, the choir is an integral facet of the worship service. Through the years, the choir at St. John United Church of Christ has faithfully led the musical segments of worship services. The church will host a U. S. Bicentennial inter-denominational choir festival this Sunday evening.

Based on the meager historical records available, it can be assumed that music played some part in the early days of St. John Church. The earliest tablet, which commemorates the storm of March 8, 1871, states in German that the church and organ were destroyed.

There is no record of another organ being purchased for the rebuilt church in 1871, or for the new church built ten years later. However, at some time a pipe organ was installed in that church.

It was a one-manual, or one-keyboard organ which was located on the balcony behind the congregation. A piano was used to accompany the congregation and choir from 1934 until the present sanctuary was completed in 1941. At that time a new, larger pipe organ was installed which served the musical needs for nearly 25 years.

In 1965, the magnificent organ was installed for approximately \$37,000. With three keyboards, full pedals, 35 ranks and more than 2,000 pipes, it is one of the largest organs in Southern Illinois and one of the finest instruments in the Midwest. With its many flutes, trumpets, horns, string instruments and rank mixtures, as well as an oboe, a harp and

chimes, it has an appraisal value today exceeding \$60,000. Through the years, ten talented ladies have served as organists to St. John Church—Dorothea Deterding, Freda Fehling, Krounsch, Lillian Kuenemann Steele, Lillian Brockman Kieffman, Hulda Branding, Griffith, Edna Branson, Orlean McDonald, Isabel Schmidt, Kathleen Thomerson and Mrs. Irene Barriack Rapp, the current organist and choir director.

For more than a half-century, there has been an organized adult choir in existence. Today's Chancel Choir has a membership of over 30. One member, Mrs. Velma Carragher, will celebrate her 50th year with the Chancel Choir next year.

For more than a quarter of a century, there has been a junior or youth choir in existence which has exemplified the high standards of Christian youth in the area. The choir's mothers and fathers like Lorraine Ranft, Lulu Mills, Marie and Ray Wille and presently June, Judy and Elmer Stille.

Today's choir members, like those of the past, are earnestly striving to improve their dedicated purpose of singing praises to the glory of God.

STEVEN SUSS

Meet in Washington on disaster funding

Mayor Paul Schuler is to meet in Washington, D.C., tomorrow

to request that the FEMA approve claims for disaster funds that were not authorized by the auditors, but which the city considers legitimate. The claims amount to the Federal Disaster Assistance Act providing grants for municipalities for emergency repairs to replace public properties damaged by the 1973 flood.

The meeting was arranged by Mayor Schuler after auditors of the FEMA earlier this month approved \$695,096 for sewer break repairs, a reduction of \$192,578 below a total of \$887,674 which was considered for approval in the project application.

Schuler was scheduled to attend the National Civil Defense conference in Washington today, Friday and Saturday and arranged a meeting with Crockett to coincide with his attendance at that meeting.

Madison County Board of the Third Ward, chairman of the City Council's Street and Alley Committee, and Granite City Attorney Lance Callis are scheduled to join Mayor Schuler for the meeting with Crockett. The council approved expenses of \$3 for each in Monday night's council meeting.

The mayor said he expects to renew requests that the FEMA approve claims for disaster funds that were not authorized by the auditors, but which the city considers legitimate.

"To date the city has received \$532,000 reimbursement for the balance due the city at this time is \$165,096."

"The auditors also pointed out that there were no irregularities with regards to the Ernest contract or payments to the Ernest company."

"It might also be pointed out that some \$170,000 for mobilization and de-mobilization was not considered because it had not been approved on any DSR's. You may remember that about a year ago, some \$170,000 was paid out about \$100,000 a year at 1976 postage rates."

First-class matter that used to be consolidated in one or more large kraft envelopes for the daily exchange between Granite City and Chicago still travels first class—but now a reusable lightweight nylon pouch each way.

According to Earl J. Wendel, certified life underwriter, manager of the Granite City agency, 10 Nameeki Village, the money-saving idea was first installed in the President's western home office, Los Angeles, and then adopted by a task force on postage in mid-America.

Bi-State Transit System moving in correct direction

Globe-Democrat—The mass transit picture in the St. Louis metropolitan area has been making a welcome change in the slightly more than two years that it has been supported by public funds.

It's not a shining example of what an urban system should be—not by a long shot. But the important fact is that Bi-State Transit has been moving in the right direction. Forward, that is.

Before the transportation tax went into effect in St. Louis and St. Louis County and before the Illinois state legislature provided funds for the bus system, mass transit here was operated in reverse.

In those days, a fare increase would be announced along with a reduction in service. This tandem act was repeated time and again.

Each time the result was invariably the same: A further decline in passenger service that would ultimately make another fare increase necessary.

The new approach was seen as Robert J. Baer, executive director of the Bi-State Development Agency, announced changes inaugurated March 8.

It added up, in effect, to one step backward and 13 steps forward, which can be described only as progress. It was announced that an experimental park-and-ride service from Highway 41 and Interstate 44 to downtown St. Louis would be discontinued because of a lack of riders. However, two new bus routes are added and improvements will be made on 11 existing lines.

The fact still remains that the system here has one of the lowest fares in the United States. Of the 823 buses in operation at present, 93 per cent of the vehicles are 15 years or older.

These statistics point out that St. Louis was being short-changed in the federal money received, compared to what other urban areas were getting. Fortunately, a more equitable balance is being restored now as a result of momentum generated here to eliminate the disparity. Last year, Bi-State purchased 245 new buses.

It has applied for another \$21 million to purchase 200 more buses and other equipment, and a follow-up grant for funds to purchase 196 additional buses is being planned.

This would put 641 new buses into the fleet. Bi-State's five-year plan envisions a fleet in which none of the buses would be older than five years, quite a face-lift from the aged vehicles currently in operation.

Passenger comfort is also being considered in the 580 shelters at bus loading points that are to be built in the five-year plan.

Despite the talk here and elsewhere about such services as dial-a-bus, Bi-State officials should be lauded for keeping their feet on the ground when it comes to such frills.

balance was disapproved because of insufficient documentation by the city.

"To date the city has received \$532,000 reimbursement for the balance due the city at this time is \$165,096."

"The auditors also pointed out that there were no irregularities with regards to the Ernest contract or payments to the Ernest company."

"It might also be pointed out that some \$170,000 for mobilization and de-mobilization was not considered because it had not been approved on any DSR's. You may remember that about a year ago, some \$170,000 was paid out about \$100,000 a year at 1976 postage rates."

According to Earl J. Wendel, certified life underwriter, manager of the Granite City agency, 10 Nameeki Village, the money-saving idea was first installed in the President's western home office, Los Angeles, and then adopted by a task force on postage in mid-America.

Miscellany

GI insurance hoax recurs

THE VETERANS Administration and major veterans organizations have launched a joint effort to stamp out a hoax that has disappointed millions of veterans since it began in 1946.

The VA is receiving thousands of telephone calls and letters weekly from World War II veterans who have been deceived into expecting dividends on GI insurance they allowed to lapse years ago.

The hoax has been recurring irregularly since 1948. With each wave of letters it stimulates, the VA explains to each applicant that dividends are payable only on policies that are kept in force.

But the hoax is fueled anew every few years by the mysterious distribution of official-looking application forms, which are addressed to veterans and are said to be available for the asking. The bogus application alleges that dividends on GI insurance can be paid even though premiums haven't been paid since 1945.

The VA theorizes that the rumor may have its roots in a special dividend paid in 1950 and 1951.

All payments on that program were ended in 1970 by a Congressional act stipulating that "no claim by an insured for payment in case of special dividend prior to Jan. 1, 1952, shall be processed by the VA, unless such claim was received within six years after such dividend was declared."

Another theory is that the rumor is fueled annually by VA's announcement of dividends for holders of current insurance policies. These annual payments are made automatically and no application is necessary.

A SIMPLE CHANGE in mailing practices involving the Prudential Insurance Company's Granite City district office has helped to reduce the number of inquiries in Illinois and Indiana, and the mid-American home office in Chicago is saving the company about \$100,000 a year at 1976 postage rates.

scheduled for April 1-2, 1977, at Horton Field House, Illinois State University, Normal."

SIXTY-FOUR YEARS ago, in March 1912, Army Captain Albert Berry jumped out of an airplane flying at 15,000 feet over Jefferson Barracks. Strapped to his back was a primitive parachute which carried him safely back to earth.

In these days, it was a daredevil stunt because he was the first man in the military to make an official jump—and the first person ever to parachute from an aircraft.

Now, people are jumping out of planes all the time in the pursuit of sport. Today's Army pursues parachute jumping also, but in a different manner. Army paratroopers have made parachuting a basic combat skill. Every year, the Army conducts over 200,000 jumps in exercises all over the world. Over 100 paratroopers can exit from a C-141 Air Force jet-powered Starliner aircraft in less than a minute.

The organization responsible for buying and fielding all of the Army's parachuting equipment is AVSCOM (Army Aviation Systems Command) in St. Louis.

AVSCOM controls all aviation equipment for the Army, including parachutes. Right now, the standard Army parachute is the MC-1, a maneuverable parachute.

When the captain made his jump, he had little control, if any, on where he would land. He was at the mercy of the breezes and whatever happened to be over at the time he jumped.

Today, with the MC-1, the soldier can maneuver the chute to the left or right by pulling the control lines. Also, this parachute moves forward through the air with a speed of eight knots which, on a still day, lets the jumper move in any direction he desires.

In addition to being able to guide the parachute is that you can avoid hazards in the landing area. It is advantageous that the soldier not land in the middle of a busy highway, in power lines or trees, and at the point where he is needed for mission accomplishment.

For the specialist, AVSCOM fields a sky diving rig designated the MC-3 free-fall system. A modified commercial version of this parachute is used by the world famous Army Golden Knights.

It is a precision team out of Fort Bragg, N.C., and holds many world records for style and accuracy in jumping. Their chute is designed to allow a free-fall up to 43,000 feet and provides a high degree of maneuverability for pinpoint accuracy.

In addition to dropping people at altitudes from 750 to 20,000 feet, AVSCOM provides the chutes to drop supplies and equipment.

All told, AVSCOM fields a variety of parachute systems to airdrop supplies, equipment and vehicles, ranging in weight from 175 pounds to 35,000 pounds and from altitudes of five feet to 25,000 feet. The AVSCOM also has a variety of airdrop systems. The Army has come a long way since Capt. Berry's jump. Soldiers, including Women's Army Corps parachute riggers, are jumping more and enjoying it more.

SCENE OF \$15,000 FIRE. The heating chute at the far right caught fire during the weekend at the Archer-Daniels-Midland Processing Co. grain elevator on Carlgill Road south of Pontoon Bend. There was \$10,000 structural damage and another \$5,000 fire loss related to 300 bushels of soybeans that were being dried. The main storage bins were not affected.

"AND WHY DO YOU FEEL THE ELECTRIC GUITAR WAS EFFECTIVE?"

Lock replacement delayed too long

Illinois Senate resolution, introduced by State Senator Sam M. Vandalone, adopted by the Senate on March 3:

The replacement of Locks and Dam 26, located near Alton, is of critical importance to the efficient operation of the Illinois River waterway system.

The locks and dam have been appropriated by Congress for planning and initiation of construction on six separate occasions, and the Corps of

Engineers has received permission from Congress for the start of construction.

The time period projected for construction of the replacement facility is expected to be ten years. But the actual time period is dependent upon the reception of adequate annual appropriations.

The start of construction has now been delayed because of an

injunction resulting from lawsuits brought by the Sierra Club, Isaac Walton League and 21 railroads.

It is of the utmost importance to the people of Illinois that the replacement facility be completed in as short a time as possible.

Therefore, be it resolved, by the Senate of the State of Illinois, that we go on record as supporting the full annual funding and timely completion of the

replacement facility for Locks and Dam 26.

Further, we go on record as urging that the congressional and legal issues be resolved as quickly as possible so that construction may begin on the important facility.

Further, that the secretary of the Illinois Senate be instructed to send a suitable copy of this resolution and preamble to the Association for the Improvement of the Mississippi River.

Elmer Krampe dies at home

Elmer H. Krampe, 69, of Holiday Mobile Homes, a retired security guard, was pronounced dead at home at 4 p.m. Tuesday by Edward Warner, Madison County deputy coroner.

Born in St. Louis, Mr. Krampe moved to this area seven years ago. He was employed at the U. S. Army Records Center in St. Louis before he retired.

Mr. Krampe was a member of the Emmanuel United Church of Christ Church in East St. Louis and was a World War I Army veteran.

His wife, Mrs. Martha Krampe, died in 1952.

He is survived by one son, Arnold J. Krampe of Granite City.

Funeral arrangements are given in the obituary column.

George Ranek, 56, succumbs

George Ranek, 56, of Maryville, Ill. for several weeks, was pronounced dead upon arrival at St. Elizabeth Hospital at 9:25 a.m. Monday.

He was employed as a laboratory technician for Shell Oil Refinery, Wood River, and was assistant fire chief of the Maryville Fire Department.

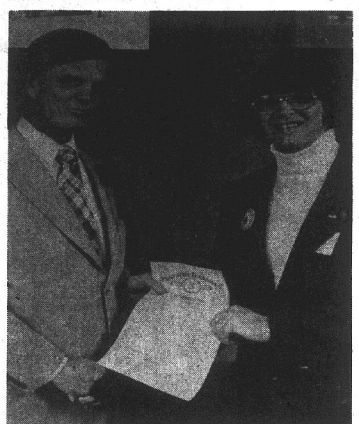

Survivors include his wife, Irene Ranek; a son and daughter; his mother, one brother and two grandchildren.

Funeral services were held at 10 a.m. today at the Mother of Perpetual Help Church, Maryville.

Burial was in Buck Road Cemetery.

NAACP MEETING
Housing problems will be among issues to be discussed at a meeting of the Madison Branch of the National Association for the Advancement of Colored People at 7 p.m. today. The meeting will be held at the Friendship Baptist Church, Venice.

DECLARING SATURDAY as "Jaycee Jelly Day" to raise funds for the Illinois Jaycees' Children's Camp, Gov. Dan Walker, honorary chairman, presents a proclamation to Jerry Gann of Granite City, district president of the Southwest Region and board chairman of the Granite City Jaycees.

Law and Order banquet

The Americanism Committee of Elks Lodge 1063, chaired by Dave Wetzel, is finalizing plans for its sixth annual Law and Order banquet to be held at

Charlie's Restaurant, May 10. The banquet will highlight the Elks' recognition of Law and Order week, May 9-15.

Law enforcement departments in the Quad-Cities and the Madison County Sheriff's Department will be honored for outstanding service.

Other committee members are Earl Buenger, Al Barnes III, Claude Miller, Clyde Mertz, Harry Taylor and Vince Saputo. Any interested Elks member is invited to attend a general meeting of the committee Monday, March 29, at 7:30 p.m. at the Elks Lodge.

Meyer was charged with reckless driving and driving while his license was revoked. Police said he suffered apparent injuries but declined to be taken to the hospital.

Kelly quits inspector post

Robert Kelly, Granite City building inspector since May 1973, resigned the post in a letter to the City Council Monday night.

The council accepted the resignation "with regrets" after Mayor Paul Schuler told the aldermen that he tried unsuccessfully to have Kelly reconsider.

Council members commended Kelly for his work as building inspector and for inspection systems he has inaugurated since he was appointed to the post nearly three years ago.

Kelly's resignation said in part: "At this time I want to thank all of you for the privilege you entrusted me with. We have had some difficulties and disagreements in putting in an efficient and effective method of operation for the office of building inspector, and I must say that at this time it is functioning very smoothly."

"As you know, most of my work deals with complaints, not only from citizens but from yourselves. I hope that I have solved the problems for you. The past three years have been a rewarding experience for me and I hope I have performed my job to the satisfaction of each one of you."

While Kelly did not give a reason for leaving the post in his letter of resignation, he told the Press-Record he plans to move to Womack, Mo., to raise cattle on an 80-acre ranch he owns there.

Kelly said he has been building on the Missouri site for the past six years "looking forward to the time when I could retire and get away from all this." Kelly is 53, married and has two married daughters.

A proposed site for the camp is in the Shelbyville Lake area, it was learned.

Gov. Dan Walker, honorary chairman of the Illinois Jaycees' Jelly Day Program to aid construction of the Jaycees' Children's Camp, and Granite City Mayor Paul Schuler have issued proclamations declaring Saturday, March 27, as "Jaycee Jelly Day."

Granite City Jaycees, along with clubs in other communities throughout Illinois, will offer jars of grape jelly for sale, with the proceeds designated to establish a camp for mentally or physically handicapped youngsters.

Local Jaycee members will be stationed from 9 a.m. to 6 p.m. Saturday at different areas in Granite City, including Belmore Village, Namekiki Village and Crossroad Plaza shopping centers.

Jerry Gann, board chairman of the Granite City Jaycees and district president of the Jaycees' Southwest Region, said the jelly will be offered for \$1 per jar.

Goal of the Illinois Jaycees is to sell 100,000 jars across the state, raising more than \$50,000 toward the camp's construction.

"We are wholeheartedly committed to the establishment of the Illinois Jaycees' Children's Camp," Gann said. "Research has shown there are over 300,000 youngsters in Illinois who have some sort of mental or physical handicap."

"Facilities for outdoor recreational activities are presently inadequate or lacking entirely," Gann said. "We need a camp where these kids can enjoy the experience of fishing, swimming, hiking, or just being outdoors with trained professionals."

Gann said the project "gives us the opportunity to unite the 14,000 members of the Illinois Jaycees toward one common goal and put purpose and meaning into our organization."

Jaycees' Jelly Day to help build youth camp

Gov. Dan Walker, honorary chairman of the Illinois Jaycees' Jelly Day Program to aid construction of the Jaycees' Children's Camp, and Granite City Mayor Paul Schuler have issued proclamations declaring Saturday, March 27, as "Jaycee Jelly Day."

Granite City Jaycees, along with clubs in other communities throughout Illinois, will offer jars of grape jelly for sale, with the proceeds designated to establish a camp for mentally or physically handicapped youngsters.

Local Jaycee members will be stationed from 9 a.m. to 6 p.m. Saturday at different areas in Granite City, including Belmore Village, Namekiki Village and Crossroad Plaza shopping centers.

Jerry Gann, board chairman of the Granite City Jaycees and district president of the Jaycees' Southwest Region, said the jelly will be offered for \$1 per jar.

Goal of the Illinois Jaycees is to sell 100,000 jars across the state, raising more than \$50,000 toward the camp's construction.

"We are wholeheartedly committed to the establishment of the Illinois Jaycees' Children's Camp," Gann said. "Research has shown there are over 300,000 youngsters in Illinois who have some sort of mental or physical handicap."

"Facilities for outdoor recreational activities are presently inadequate or lacking entirely," Gann said. "We need a camp where these kids can enjoy the experience of fishing, swimming, hiking, or just being outdoors with trained professionals."

Gann said the project "gives us the opportunity to unite the 14,000 members of the Illinois Jaycees toward one common goal and put purpose and meaning into our organization."

While Kelly did not give a reason for leaving the post in his letter of resignation, he told the Press-Record he plans to move to Womack, Mo., to raise cattle on an 80-acre ranch he owns there.

Kelly said he has been building on the Missouri site for the past six years "looking forward to the time when I could retire and get away from all this." Kelly is 53, married and has two married daughters.

A proposed site for the camp is in the Shelbyville Lake area, it was learned.

Emmanuel Baptist scene of Shrum-Barton wedding

Miss Brenda Lee Barton, a daughter of Mr. and Mrs. Ezekiel Barton, 4222 Highway 162, became the bride of William E. Shrum, a son of Mr. and Mrs. Lloyd E. Shrum, 1661 Third St., Madison, Feb. 7 at Emmanuel Baptist Church.

The Rev. Arthur J. Short officiated at the 1 o'clock afternoon ceremony before an altar decorated with bouquets of carnations in assorted colors.

Given in marriage by her father, the bride wore a long gown of ivory satin, accented with white lace. Scalloped lace traced the neckline and cuffs and bordered the cathedral-length veil.

She held a bouquet of lilac, blue and pink carnations and baby's breath.

Mrs. Cheryl D. Shrum, the groom's sister-in-law, chose a full-length light blue gown trimmed in white lace. Her bouquet was composed of

yellow daisies, blue carnations and baby's breath.

Lloyd E. Shrum Jr., a brother of the groom, served as best man.

Lynn Aiello, a niece of the bride, dressed in a deep purple frock, enhanced with white lace, carried the long train of the bridal gown.

Mrs. Barton, mother of the bride, was attired in a black dress with white lace accents. The groom's mother, Mrs. Shrum, appeared in a maroon pant suit, trimmed in white. Both wore red and white peppermint corsages.

After the ceremony a reception was held in the home of Mr. and Mrs. Lloyd Shrum.

The newly married couple are now residing in Granite City.

Both attended Granite City High School North. The bride is employed as a nurse's aide at Colonial Haven Nursing Home and her husband works at a Mobil Station in St. Charles, Mo.

BEACON LIGHTS, who with the Victory Quartet will present a program of gospel singing from 2 to 4 p.m. Sunday at the Apostolic Pentecostal Church, 25th Street and Dewey Avenue, according to the pastor, the Rev. Willis Castle. From left are Wayne, Mike, Georgia, Geneva and Pam Davis.

Maxine Stubblefield and Donald Justus Jr., exchanged marriage vows at the altar of St. Peter Evangelical United Church of Christ, 21st Street and Cleveland Boulevard, March 21. The 2 o'clock double-ring ceremony was performed by the Rev. Robert Kettelhut following a prelude of organ music by Mrs. Robert Hutcheson.

The groom's parents are Mr. and Mrs. Leonard Marek, 2020 Washington Ave.

The bride is the daughter of Mrs. Glenda Stubblefield of Granite City and Lloyd Stubblefield, also of this city.

Escorted down the aisle by an uncle, Ted A. Werner of Edwardsville, she wore a full-length gown of winter white polyester. Her dress was made along simple lines with a long-sleeved shirtwaist bodice, buttoned to the banded waistline with self-covered buttons.

She wore a matching bridal hat and carried an orchid on a white ribbon.

Her only attendant, June Marie Justus, sister of the groom, was attired in a peach gown and a hat of a matching color. She held a colorful bouquet of peach-tinted carnations with streamers of wine colored ribbon.

Serving as best man was the bride's brother, Jerry D.

MR. AND MRS. WILLIAM SHRUM. They were married at the Emmanuel Baptist Church. Formerly Miss Brenda Lee Barton, the bride is a daughter of Mr. and Mrs. Ezekiel Barton, 4222 Highway 162.

RANSACK CAMPER

The camper unit of Russell Cox, 2800 Washington Ave., was entered and ransacked, it was discovered at 8:30 a.m. Wednesday. A suit, a jacket, a box of pennies and some silverware were stolen, it was reported. A fire extinguisher was removed and the contents sprayed throughout the unit. The empty extinguisher was found about five houses away.

Haffner heads advisory unit

Gene Haffner of Edwardsville has been re-elected to a second term as chairman of the Non-Academic Employees Advisory Council of Southern Illinois University at Edwardsville. Haffner is University Center program director and the first to be re-elected as council chairman.

The council, representing university civil service employees and faculty administrative staff, assists and advises the president and director of personnel in the formulation of personnel policies, salary funding requirements, employee welfare and all other matters affecting University employees, Haffner said.

"During the past year, the council has been devoted to increasing communication with constituents and increasing nonacademic employee involvement in the governing process of the university. I anticipate a continued commitment to these goals and identification of new directions as our involvement in University matters increases," he added.

Haffner was elected to the Council in 1974 for a three-year term. He has served as secretary, University Senate representative and on the vice-president for administration search committee.

Also elected were John Ulrich of East Alton as vice-chairman and Viola Call of Wood River as secretary. Ulrich is assistant director of data processing, and Miss Call is an accountant in the Office of Financial Analysis.

DRYER DAMAGED

A plugged vent started a fire in a dryer at the home of Gail Frazier, 3228C Maryville Road, and caused \$300 damage to the machine, authorities reported at 2:45 p.m. Saturday. Firemen were there 20 minutes.

Success in GC sewer renovation spurs move to step up program

A proposal that the city acquire an additional television inspection and grouting unit to speed up the work of inspecting, cleaning and grouting sanitary sewer lines in the Nameoki area was taken under advisement by the City Council Monday night after it was told that the present system, in use since December, has produced "remarkable results."

Suggestion to buy another unit came from City Street Superintendent Lionel Portell and City Engineer Monroe Brewer in a report that said the television and grouting program has developed into an efficient operation that is sealing sanitary sewer lines against infiltration of groundwater at a minimal cost.

Brewer told the council that while the present program is set up on a six-year program to clean and grout all sewer lines in the Nameoki area, it would be possible to cut this time in half if another inspection and grouting unit were acquired. The present system cost the city \$40,000.

The report to the council said that the television, cleaning and grouting operation "is providing a much larger share of the overall solution of sewer problems" than originally anticipated. Many potential lines can be renovated and costly (sewer) repairs prevented.

The proposal to purchase or lease another television and grouting unit was referred to the Street and Alley Committee and Portell for a recommendation to the aldermen.

Portell and Brewer said that the cleaning and grouting program is being conducted on a sectional basis with priority given those areas in which sewer rehabilitation is most needed.

The priorities are given in a report by Sverdrup & Parcel Associates, St. Louis engineering firm. That report noted that the Nameoki area contains 1,660 acres of which 570 acres contains 22 miles of sanitary sewer lines that are under the groundwater and subject to infiltration, Portell and Brewer said in their joint report. If the groundwater rises, this 570 acres could increase, they said.

In their report to council members, the two officials said: Since the sewer camera has been in operation, approximately 10,000 feet, or two miles, of sewer have been televised and videotapes made recording the conditions found inside these sewers. Many of the conditions found were similar to those expected; however, some unanticipated conditions have also been discovered.

In addition, 1,450 feet of the lines televised have been grouted to date. The following describes the actual conditions that have been determined to exist:

1. The sewers inspected have generally been found to be in need of cleaning. The insides are covered with deposits of grease and detergent. In most areas, there are excessive deposits of sand, gravel and other sediment. Larger objects as rocks and pieces of wood have also been present.

2. Most joints in the system are offset. There appear to be two general causes for these offsets. First, some offsets were caused by the pipes being eccentrically joined at the time of installation. The others are caused by broken or cracked pipe or ground settlement at the joint causing the pipe to separate.

3. There is a great deal of evidence of root intrusion. This is found more concentrated in the shallower sewers.

4. Numerous faulty connections were found. The most common is the case where a hole was broken into the main line and a pipe inserted into the hole rather than the use of an approved connection technique.

5. All of the sewers inspected were clay pipes of 4-foot lengths with jute-mastic joints. This type of construction prevailed 20 years ago and required a carefully placed bedding and close inspection of joining material and techniques, which was apparently not done in this area.

6. Sections of pipe up to 70 feet were found to have "bellies". These are areas where the line has sagged, probably due to soil and groundwater conditions and are identified because they are full of water and the TV camera cannot properly transmit clear images through turbid water.

These bellies seem to mostly occur in the near vicinity of manholes probably caused by poor compaction of soil at the time of installation of the manholes and subsequent settlement.

7. Pressure tests show some leakage at all joints. This may vary from a small amount of leakage to those joints that cannot be pressurized at all.

8. Some deep lines, those some distance below the groundwater, have joints at which large amounts of water are visible pouring into the line. The Faith Avenue line had so many leaks in one section that when the sewage flow was shut off, the pipe still flowed one-third full, that flow being clear water. When this line was grouted, the flow ceased.

9. Cracks have been found in some pipes.

10. Some badly deteriorated brick manholes have been found. Leaks occur in these manholes since none of these manholes had their outside plastered when constructed, which aided deterioration.

The leaky joint conditions as described above cause the fine sand surrounding the pipe to enter the sewer with the groundwater. As this condition progresses, sufficient amounts of sand which formerly surrounded the pipe are carried away and a void around the pipe results.

This cavity causes an instability of the sewer foundations and if enough sand is carried away over a period of time, the cavity caves in and the result is a sewer break.

It is this cavity which the grouting machine fills with new material and grout, to replace that sand which has been carried away. This must be done at the early stages to prevent a break.

This system has only been in use since early December, but already the results are remarkable.

The system has been developed into an efficient operation. When the equipment was purchased it was understood that it would take a period of time for the crew to familiarize themselves with the equipment and gain expertise; also, for the street department to develop a sound method to organize and administer the work resulting from this.

The following has been noted as a result of the work performed so far:

1. Obviously leaking joints that could be visually seen leaking have been sealed.

2. Some joints with broken pieces missing, have been sealed.

3. Lines that did not have obvious leaks, but flow when shut off, have had this flow eliminated.

4. Several areas that showed a slow settlement on the surface over a sewer line have had this subsidence stopped.

5. Since infiltration can be controlled, capacity of the lines will be increased resulting in fewer lift station overflows when total branches have been completely renovated.

In addition, sediment and compensating infiltration causes considerable wear and rapid deterioration of pump impellers, casings and valves. These are extremely costly to repair and replace.

6. This method has proved not only to be effective in renovation, but, potentially important as a means of preventative maintenance to the entire sewer system.

Evidence gathered from talking to municipalities that have used this system indicates that grouting does have long-run stability. The Metropolitan Sewer District has used this grout for about six years and has yet to have a failure in a grouted line.

Besides physical improvements in the sewers, the data collected so far has revealed that certain assumptions based upon the experience of others using this equipment, which were used to estimate the rate of progress for this equipment, were invalid for our use.

The basic assumption used originally was that a crew of three men can grout 300 to 400 feet of line per day using an average of two gallons of grout per joint, finding it necessary to grout every third joint.

The pipe is four feet in length. This means that a crew could pressure test 75-100 joints per day, grouting 25 to 35 joints per day with an average of two gallons per joint grouted.

The actual fact is that because of the condition of our sewers, only 100 to 150 feet per day can be done. Our joints are three feet apart and on the average, two out of three joints must be grouted with an average of five gallons of grout per joint.

At our present rate which we can be assured will improve somewhat more as experience is gained, 33 to 50 joints per day are pressure-tested and of these, 23 to 33 must be grouted.

obvious leaks, but flow when shut off, have had this flow eliminated.

4. Several areas that showed a slow settlement on the surface over a sewer line have had this subsidence stopped.

5. Since infiltration can be controlled, capacity of the lines will be increased resulting in fewer lift station overflows when total branches have been completely renovated.

In addition, sediment and compensating infiltration causes considerable wear and rapid deterioration of pump impellers, casings and valves. These are extremely costly to repair and replace.

6. This method has proved not only to be effective in renovation, but, potentially important as a means of preventative maintenance to the entire sewer system.

Evidence gathered from talking to municipalities that have used this system indicates that grouting does have long-run stability. The Metropolitan Sewer District has used this grout for about six years and has yet to have a failure in a grouted line.

Besides physical improvements in the sewers, the data collected so far has revealed that certain assumptions based upon the experience of others using this equipment, which were used to estimate the rate of progress for this equipment, were invalid for our use.

The basic assumption used originally was that a crew of three men can grout 300 to 400 feet of line per day using an average of two gallons of grout per joint, finding it necessary to grout every third joint.

The pipe is four feet in length. This means that a crew could pressure test 75-100 joints per day, grouting 25 to 35 joints per day with an average of two gallons per joint grouted.

The actual fact is that because of the condition of our sewers, only 100 to 150 feet per day can be done. Our joints are three feet apart and on the average, two out of three joints must be grouted with an average of five gallons of grout per joint.

At our present rate which we can be assured will improve somewhat more as experience is gained, 33 to 50 joints per day are pressure-tested and of these, 23 to 33 must be grouted.

At our present rate which we can be assured will improve somewhat more as experience is gained, 33 to 50 joints per day are pressure-tested and of these, 23 to 33 must be grouted.

ENGAGED. Miss Carol Jean Gurley and Bradley Alan Werths, whose engagement and approaching wedding are being announced by the bride-elect's mother, Mrs. Betty G. Beers of East Alton. She also is the daughter of the late LaVern Gurley. A June 12 wedding is planned.

Werths-Gurley betrothal told

The engagement of Miss Carol Jean Gurley, a daughter of Mrs. Betty G. Beers, 230 Timber Lane, East Alton and the late LaVern Gurley, and Bradley Alan Werths, a son of Mr. and Mrs. Lloyd Werths, 309 Warson Lane, Granite City, is being announced.

Miss Gurley, a 1973 graduate of Roxana High School, is attending Lincoln Christian College, Lincoln, Ill. She is

employed at McDonald's Restaurant, Lincoln.

Her fiancé was graduated from Granite City High School in 1972 and attended St. Louis Christian College. He is employed by Illinois Central Gulf Railroad.

Plans are being completed by the engaged couple for a June 12 wedding at the Bethalto (Ill.) Christian Church.

DAR chapter elects Mrs. Wilson

Drusilla Andrews Chapter of the Daughters of the American Revolution (DAR) met during the weekend at Charlie's Restaurant and elected Mrs. Janet Wilson as regent.

Regent Mrs. Ruth McCarthy led the opening ceremonies and Mrs. Ruth Mitchell read the president General's message. Eleven members attended.

Other officers elected for the 1976-78 biennium are: Mrs. McCarthy, vice regent; Mrs. Margaret Bell, treasurer; Mrs. Barbara Williams, secretary; Mrs. Emma Schoen, registrar; Mrs. Eva Meier, chaplain; and Miss Nelle Hart, historian and librarian. They will be installed at the May meeting by Mrs. John Marlin, Division 6 director, Lawrenceville, Ill.

Donations were approved to two DAR schools, located in Alabama and North Carolina, in memory of four deceased members—Misses Anna and Jenny Wilcox, Miss Margaret Bucher and Mrs. Mary Connole.

Miss Ella Ray Smith presented a defense topic relating to parking of house trailers on school lots as a deterrent to school crimes in some areas of the country. Mrs. Eva Meier read an article on the "Spirit of '76."

A report on the state conference held last week in Springfield was given by Mrs. Wilson. She capsuled the information regarding resolutions passed by the group. She also reminded the group that the State DAR Days would meet in Granite City in September.

Only four meetings are held throughout the state and the Granite City meeting is expected to draw between 150 to 200 women from the surrounding area, Mrs. Wilson said.

The Drusilla Andrews Chapter will serve as the host chapter.

Granite City

Ecumenical choir festival

The second annual inter-denominational choir festival will be held Sunday evening at St. John United Church of Christ, 2501 Nameoki Road.

The program, entitled "American Bicentennial in Evangelist at Gospel Mission"

The Rev. John Rion of Belleville, an evangelist, will speak at 7 p.m. today at the Gospel Mission, 2014 E. 20th St. The public is invited to attend. Ample parking may be found at the rear of the mission building. Mrs. Bethel Davis, superintendent, reported.

At 7 o'clock Sunday evening, the Rev. John Pithers will be the guest speaker. Tom Rousio of the Gideons spoke to Sunday school classes at the Gospel Mission earlier this week. The visitor and his sons own and operate Rousio's Restaurant in Collinsville.

Music—God and Country" will begin at 7 o'clock.

The choirs appearing Sunday evening will be from Bethel AME Church, singing "Swing Low" and "Lift Ev'ry Voice," Central Christian Church singing "This Land Is Your Land" and "Fifty Fifty United States," First United Presbyterian singing "America Way of Life" and "This Is My Country," Hope Lutheran Church singing "Thanks Be to God," Nameoki Methodist singing "Sing Aloud to God Our Strengths" and "Simple Gifts—An American Slaker Tune."

Niedringhaus Methodist choir members singing "My Shepherd will Supply My Need"

If you're thinking of selling, the people to see are at Royce Realty, 2862 Madison Ave., 876-5050.

and "Ev'ry Time I Feel the Spirit," St. Elizabeth Roman Catholic Church singing "This Is My Father's World" and "Gloria" from "Mass of the Bells," St. John United Church of Christ singing "America, the Beautiful" and "If My People Will Pray," and the Bell Choir of St. Peter Evangelical United Church of Christ performing "Solely Procession," "God of Grace and God of Glory" and "Chester (Hymn of American

Revolution, 1776).

Featured soloists for the program will be Mrs. Lois Bilbrey singing "Battle Hymn," Mrs. June Branding singing "Freedom Medley," L. L. Leininger singing "God Bless America" and Paul Mabrey singing "Ching-aring Chaw."

The public is invited to the festival and a reception immediately following in Fellowship Hall of the church. There is no admission charge.

Choral group openings

Members of the community who like to sing may join the Community Choral Society of Southern Illinois University at Edwardsville, according to Leonard Van Camp, professor of music and director of the Concert Chorus.

The Community Choral Society will hold its first rehearsal of the season Tuesday, March 30, at 7:30 p.m.

In Room 1402 of the Peck Classroom Building. There will be auditions; membership is open to anyone who likes to sing.

The four-voice chorus group usually attracts more than 100 members, ranging from those who have had extensive musical training to those who have had none. Amateurs are welcome, Van Camp stressed.

In the past, members of the choral group have included college and high school students, faculty members at SIUE, housewives, businessmen and area teachers. Students can receive credit for the experience.

Members of the Community Choral Society will immediately begin rehearsals for their spring concert to be held on the campus May 29 and 30. They

will be singing Robert Schumann's "A Free Song." The singers will be joined in the presentation by the University Symphony Orchestra, the Concert Chorus and the University Chorus.

Something special for the Lenten Season:

It's our great Whaler® fish sandwich. A change-of-taste treat, especially during Lent. When you order one, we'll give you a regular order of our Golden French Fries Free — with this coupon.

The Whaler's a boneless fish fillet, deep fried to a golden tender goodness. Never prepared ahead of time. It's served to you on a toasted sesame seed bun. With a generous portion of lettuce and zesty tartar sauce. (Of course, we'll serve yours your way.) Two of em are a feast for one. Or a meal for two. So, stop by and see us. Our Whaler's good anytime. But it's something special during Lent.

FREE FRIES with Whaler® fish sandwich

Alfalfa weevils appear early

By RON CORNWELL

Agricultural Extension Advisor Madison County alfalfa growers should be checking their fields for alfalfa weevil damage. John Wedberg, University of Illinois Extension entomologist, reports that alfalfa weevil development is one month ahead of last year in the southern part of the state. The warm weather early in the year accounts for this rapid development of the weevil. Alfalfa weevil larvae stop feeding when the temperature drops to 45 degrees or lower. Once the temperature is above 45 degrees, the larvae will

resume feeding.

With alfalfa weevil development being ahead of last year, many alfalfa growers will not be able to get by with one spray application this year. Treatment is suggested when 25 per cent of the alfalfa leaf tips show skeletonized type feeding with the temperatures remaining in the mid 50-degree range or above. The adult alfalfa weevil is a small, brown snout beetle. The adult does little damage. The weevil larvae has a black head and is 3/4 inches long when full grown. As the larvae grow, they will do extensive damage to the alfalfa plant.

We have available at the Madison County Extension office a circular on "Insect Control in Field Crops." This circular list the chemicals recommended to control alfalfa weevils. The circular is available on request.

Garlic has been a problem the past two or three years for wheat producers in Southern Illinois. Wheat with garlic is going to receive a discount when it is sold. The best way to solve this problem is to control the garlic.

2,4-D is suggested for garlic control in wheat. The rate of 2,4-D to use is critical. Too much may injure wheat and too little may control the wild garlic.

Research suggests that one half pound per acre (one pint) of 2,4-D ester often gives fairly good control of the garlic without excessive injury to wheat. But the degree of garlic control and the degree of wheat injury can vary with conditions existing at or near the time of treatment. Those using 2,4-D in

wheat should realize that injury to wheat is possible and control is variable. Banvel alone or in combination with 2,4-D can also be used in winter wheat. Before using any chemical, be sure to read and follow the label directions.

The timing of the application of 2,4-D to wheat for garlic control is important. The spray should be applied based on the growth stage of the wheat. Application should be made in the spring after wheat has fully tilled and before it is in the jointing stage. The jointing stage is usually when the wheat is 4 to 8 inches tall.

Before this time, wheat is still forming tillers or additional stems. Later, the stems elongate and joints or nodes form. And still later, the small grain is said to be in the "boot stage" when the top of the stem appears somewhat like a four buckle overshoe and the young head may be found inside the stem.

When is too sensitive to be treated before it is fully tilled. And when the stem starts elongating and nodes start forming, the young wheat head that is forming inside the stem may be injured. The closer it gets to the "boot stage" when treated, the greater the chance of affecting the formation of wheat heads and reducing yields.

For anyone seeking additional information on garlic control in wheat, we have available at the county Extension office Circular 1109 "Wild Garlic." This circular gives the latest chemical control recommendations for garlic.

DeMOLAY INITIATES. Rickie L. Endicott and Clinton L. Sensabaugh, both of Granite City, who became members of the James Stuart Chapter, Order of DeMolay, in ceremonies conducted at the Franklin Masonic Temple, Alton.

Two initiated into DeMolay

Two area young men became DeMolays in James Stuart Chapter at Franklin Masonic Temple, Alton, last week. Rickie L. Endicott and Clinton L. Sensabaugh were members of an International DeMolay Week District 16 class of candidates which was named to honor Fred Smalley of Alton Master Mason of almost 60 years.

Others in attendance from the local chapter led by Kelly Smith, junior councilor elect, were: Bill Berger, Merle Castellini, Frank Chandler, Tom Ebrecht, David Goodrich, Tom Groshong and David Barley, accompanied by Advisers Charles E. Hileman Jr. and Charles A. Meyer.

Corporation taxation varies among states

By MAURICE W. SCOTT
Executive Vice President
Taxpayers' Federation of Illinois

Four Constitutional amendment proposals to permit increases in the current corporate state income tax rate without simultaneous increases in the personal income tax rate were rejected by the House Revenue Committee on March 3 by a vote of 13 to 5.

Current laws provide for a four per cent tax on corporate income and a 2.5 per cent rate on income introduced on the same date. Future increases must retain this 8 to 5 ratio on rates.

Defeat of these proposals by the House Revenue Committee is one of the best things the General Assembly can do in 1976 for the economy.

What Illinois business climate needs is more jobs, not higher costs and the movement of business from Illinois. Do corporations pay their fair share of total state income tax receipts? The answer is "yes" when the percentage of the total paid by Illinois corporations is compared to percentages paid by corporations to treasuries in other states.

In fiscal year 1975, Illinois corporations paid 21 per cent of the total, Indiana 16 per cent, Iowa 15 per cent, Kentucky 32 per cent, Michigan 21 per cent, Minnesota 19 per cent, Missouri 15 per cent, Ohio 36 per cent and Wisconsin 15 per cent.

S.J.R. 60, State Constitutional amendment proposal that would return Illinois to annual budgeting in 1979, was favorably passed out of the Senate Executive Committee on March 2.

The mechanics of the

resolution are these, for 1979, providing the resolution is successful in the legislature and approved by the voters in November 1978:

(1) The General Assembly would convene to organize on Jan. 10, 1979 and the session would only hear bills relating to appropriations and state revenue.

(2) On Feb. 7, 1979, the biennial budget for fiscal years 1980 and 1981 is submitted by the governor to the legislature, and the appropriation bills would be introduced on the same date.

(3) From Feb. 7, 1979 to April 25, 1979, the General Assembly would consider and enact appropriation and state revenue bills. Budget session adjourns on April 25, 1979.

(4) By May 9, 1979, the General Assembly shall present all such bills to the governor.

(5) By June 8, 1979, 30 days after the governor receives the bills, he shall complete his action thereon.

(6) On June 12, 1979, the General Assembly reconvenes to consider its action on vetoed bills.

(7) By June 25, 1979, the budgetary process will have been completed.

(8) The even-year general session would convene Jan. 9, 1980, for consideration and enactment of bills other than those making appropriations or those relating to state revenue.

Merits of this resolution seem to be: (1) Legislators and their staffs would have more time to analyze budget and appropriation bills.

(2) Directors of departments and agency heads would have more time to spend on administrative duties.

(3) Pressures for more spending could be less because

Retailers to discuss 1980s

"A look at 'Retailing Into the '80s' by two of the nation's retail leaders is a highlight session of IRMA's 1976 annual meeting at the Peoria Hilton March 31 and April 1," reports Hugh E. Muncy, president, Illinois Retail Merchants Association.

Ervin E. Wardlow, president, S. S. Kresge Co., Troy, Mich., and Robert J. Will, chairman, Retail Stores Division, Hart Schaffner & Marx, Chicago, will be featured at the April 1 luncheon. C. Virgil Martin, chairman, finance committee, Carson Pirie Scott & Co., Chicago, an IRMA founder, will speak at the March 31 banquet session.

Overall theme of the two day merchants' meeting is "A New Look at Old Problems."

"Changes in consumer life styles, the economy, government rules and regulations, and technology all affect day-to-day operating problems. The program will provide a new look at meeting these changes," Muncy said.

The meeting is open to all interested retailers. Reservations may be made through IRMA's Chicago and Springfield offices.

of less opportunity to push such bills.

(4) Legislators would have more time to spend back in their districts listening to their constituents.

And (5), there would be more stability for lawyers, public officials and citizens in knowing what the law is.

This resolution and S.J.R. 26 and other similar proposals deserve serious study and consideration by the General Assembly.

UNIVERSITY BOARD OFFICERS. The three executive officers of Southern Illinois University's Board of Trustees are pictured. Chairman Ivan A. Elliott Jr. of Carlini (seated) has begun his fourth term. Also winning unanimous endorsement for continued one-year terms in 1976-77 are Vice-Chairman Harris Rowe of Jacksonville and Secretary Margaret Blackthorn of Madison. SIU at Edwardsville will be honored for its tenth anniversary by Quad-Cityans at a dinner Friday night, April 2, at GCHS South.

Review labor law changes

The Illinois State Chamber of Commerce will sponsor two April conferences on recent changes in Illinois labor laws, including unemployment insurance.

The day-long meetings are scheduled Wednesday, April 14, in the Arlington Park Towers, Arlington Heights, and Thursday, April 22, in the Holiday Inn East, Springfield.

Employers will be briefed on current compliance requirements by officials of the Illinois Department of Labor and the Unemployment Insurance Division.

For registration information, they may contact James Ahr, Illinois State Chamber of Commerce, 20 N. Wacker Drive, Chicago 60606 (312-372-7373).

Ponder the 'building blocks' of knowledge

A one-day colloquium, "education: The construction of Knowledge," at Southern Illinois University at Edwardsville April 2 will feature three guest speakers internationally renowned for their advanced thinking in children's education.

Participants from all areas of the United States are being invited for sessions beginning at 9:30 a.m. and continuing until 5 p.m. in the Mississippi Room of the University Center. The event is co-sponsored by the SIUE School of Education and the Teachers' Center Project in celebration of the university's tenth anniversary.

Speakers will be Eric A. Lunzer, director of the Institute of Education at the University of Nottingham and considered by educators to be one of Britain's leading researchers

and commentators on intellectual growth; Irving Sigel, director of the Child Care Research Center and head of the psychological research section of Educational Testing Service, Princeton; and Frank B. Murray, president-elect of the Jean Piaget Society and director of graduate studies in education at the University of Delaware.

Thomas O'Brien, professor of education at SIUE and director of the university's Teachers' Center Project, said, "The purpose of the colloquium, ultimately, is to help children to grow."

"The means of achieving that goal is to bring educational leaders together to consider the latest thinking and research on how intellectual growth takes place and, through interaction with people and ideas, to set the

Tax warrants likely for GC schools this summer

Granite City School District 9 will be confronted with serious financial problems in mid-summer this year and almost certainly will need to turn to the sale of anticipation warrants to meet obligations in June, July and August, Tully A. Heubner, director of business affairs, has informed the Board of Education.

Heubner said part of the problem stems from projections that 1975 taxes collected this year will not be available until September, which will be about three months later than tax funds usually are received.

A delay in completion of new assessment books has resulted in a tax extension delay by the county clerk's office at Edwardsville.

He noted in a report on preparation of the 1976-77 school district budget that the weeks of June 11 and 18 "will be critical on the cash flow basis," and that there is the possibility "that we would not have cash available at that time to meet our obligations."

Explaining the new budget projections, Heubner said: "In my opinion the educational fund will have to loan the transportation fund and IMRF fund monies in order for

these funds to meet this year's obligations. I project these loans to be \$100,000 to \$140,000 in the transportation fund commencing in May, and approximately \$100,000 to the IMRF fund commencing in the last of April or first of May."

"In addition, the educational fund also will have to provide money to the IMRF fund for its obligation the first part of July."

"We will end the fiscal year with a cash balance. This balance could fluctuate, of course, based upon any of the above-mentioned receivables being received."

"The weeks of June 11 and 18 will be critical on the cash flow basis. There would be a possibility that we would not have cash available at that time to meet our obligations. This could mean the possibility of issuing anticipation warrants if we cannot handle it through inter-fund loans."

"We cannot expect our state aid payment to be received until approximately June 25. If this is delayed for some reason, we would have to anticipate for the payroll of June 25. Hopefully, some of our receivables will be in to alleviate the above problems, and the state aid will be received as planned."

"Our cash balance will have decreased considerably from the beginning of the year to the end of the year. The actual amount cannot be projected accurately due to the unknown status of the receivables."

"Up to this point, I have reviewed only the cash flow for the balance of this year. The outlook on the accrual basis as well as cash flow for next year presents a more solemn picture."

For instance, as of the end of the year, we will have payroll obligations which we will have encumbered for approximately \$1,013,000 for July and August.

"In addition, our 12-month employee pay for the same period will be approximately \$615,000. Our cash balance will not meet these obligations."

"Tax collections will add to the problem. From all indications we get, we will not receive our 1975 taxes as early as in the past. There is some speculation that it might be as late as September before the first taxes are received. In addition, we will not receive any state aid until the end of August."

"If it is distributed as in the past, this will, therefore, place us in a position of having to meet July and August obligations without any income to speak of for the same period. The maximum amount of cash we could expect to have on hand as of July 1 — assuming all receivables are received — would be approximately \$1,000,000 to \$1,200,000."

"Our estimated payrolls for July will total approximately \$1,070,000, and for the period Aug. 1 to Aug. 20, \$950,000. If the tax information is correct as projected, you can see we would have to anticipate in order to meet our obligations. The exact dates and amounts

cannot be determined due to the unknown status of our receivables.

"This coming year, it will cost the district approximately \$250,000 to move those teachers on the current salary schedule who qualify for a step increase. In addition to that increase, the new cafeteria and secretarial contracts tentatively agreed upon will require step and pay increases next year."

"While next year is supposedly the fourth and last year for the increased funding of the resource equalizer, it is my opinion we cannot plan, at this time, to receive this increase."

"If they can't fund this year's formula fully, it seems reasonable to me that we should not expect any more next year than what we actually received this year. Of course, as more pertinent information becomes available, this can be adjusted accordingly."

"These are the projected

facts, as I see them, based upon present information. Hopefully, this brief overview will provide those people responsible for making the educational decisions with a general overview of our finances. Of course, the financial projections will be updated, and you informed as more pertinent information becomes available," Heubner concluded.

O'Neill will address dinner saluting Price

The majority leader of the 93rd-94th Congress, Thomas P. O'Neill Jr., will be the speaker at a "Mel Price Nonpartisan Testimonial Dinner" on Saturday, April 3, at 7 p.m. at Fischer's Restaurant, 2100 W. Main St., Belleville.

"We are pleased that a man of Thomas P. O'Neill's prominence and prestige will help honor Congressman Price," Dinner Committee Chairman Robert J. "Mike" Faust said this week.

The dinner committee, composed of area labor, business and professional men and women, is sponsoring the dinner in honor of Price, who has represented this area since 1944.

All tickets must be purchased in advance. No tickets will be sold at the door, Faust stressed. To purchase tickets, Quad-Citians may contact Beverly Pope at 397-2122.

Cong. O'Neill, 63, a resident of Cambridge, Mass., served on the Cambridge School Committee in 1946-47.

He was a member of the Massachusetts legislature from 1936 to 1952, holding the position of minority leader in 1947-48, and was the first Democratic Massachusetts speaker of the House in 1948-52.

Elected to Congress in November 1952, succeeding the late President John F. Kennedy, Cong. O'Neill was a member of the Rules Committee for 18 years and has received many awards during his nearly 24 years in Washington.

He was appointed as majority whip of the 92nd Congress (1971-72) and was elected as majority leader for the 1973-74 and 1975-76 sessions.

He and his wife, Mildred, have been married nearly 35 years. Their five children are Rosemary, Thomas III, Susan, Christopher and Michael. Educated at St. John's School in North Cambridge and Boston College (class of 1936), O'Neill was in the insurance business before concentrating on his Congressional duties.

Graduates from leadership school

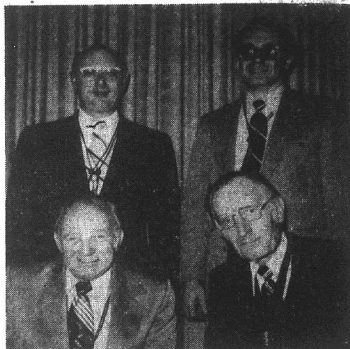

Sergeant Ronald E. Scoby, son of Mr. and Mrs. Lochie Scoby, 305 W. Chain of Rocks Road, has graduated from the Military Airlift Command Noncommissioned Officer Leadership School at McGuire AFB, N.J.

The sergeant, who was trained in military management and supervision, is a weather equipment specialist assigned to an Air Weather Service unit at Fintzen Army Airfield, Germany.

Sergeant Scoby is a 1970 graduate of Collinsville (Ill.) High School. His wife, Debra, is the daughter of Beverly Ehlentfeldt of 1404 Alice St., Collinsville.

PASSENGER INJURED

The autos of Mark Page, Belleville, and Edward Levy, 3023 Nameoki Drive, were involved in an accident on 20th Street at Edwardsville Road at 9 p.m. Monday. Alicia Marie Page, 19, Belleville, a passenger in Page's auto, struck her head during the accident and was taken to St. Elizabeth Hospital where she was released after treatment.

LEGION OF HONOR. Egyptian Preceptory Legion of Honor members who were installed last week in Belleville. Seated, left to right, Charles Wagner, Belleville, and William J. Mehl, Granite Cityan. Standing from left, Charles Kurrus, Belleville, and N. Thomas Colgate, Edwardsville.

Legion of Honor conferred

William J. Mehl, Granite City, was installed as dean of the Egyptian Preceptory Legion of Honor in Belleville, last week, at the Preceptory's annual obligatory observance of the founding of DeMolay in Kansas City on March 16, 1909.

Other officers installed were: Charles Kurrus of Belleville, vice-dean; Fred Riddle of Collinsville (formerly of Madison) chaplain; N. Thomas Colgate of Edwardsville, sergeant at arms; and Charles Wagner of Belleville, secretary.

The dinner meeting also was attended by Don Adams, Charles Chapman, Jack Dempsey, George Eubanks, William Harris, David Johns, Robert F. Maxwell, Charles A.

Meyer, Gene Ross, Ernest Veihl and Roy L. Willmrig, all either active or honorary Legion of Honor members from the local area.

The Legion of Honor is the highest degree and honor conferred by the International Supreme Council, Order of DeMolay. The active "DeMolay Legion of Honor" may be conferred upon a senior DeMolay for outstanding leadership in some field of endeavor, or success in fraternal life, including adult service to DeMolay.

The "Honorary Legion of Honor" may be conferred upon a Master Mason who has performed unusual and meritorious service in behalf of DeMolay.

Kmart

... gives satisfaction always

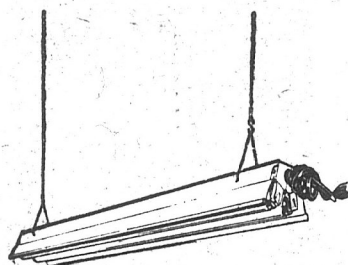

K MART'S ADVERTISED MERCHANDISE POLICY

Our store intention is to have every advertised item in stock at our stores. If an advertised item is not available for purchase due to very unforeseen reasons, K mart will issue a Rain-Check or request for the merchandise to be purchased at the sale price whenever available or will sell you a comparable quality item at a comparable reduction in price. Our policy is to give our customers "satisfaction always."

OFFICIAL

100% RADIAL

4 most FIVE YEAR NEW TIRE LIMITED WARRANTY

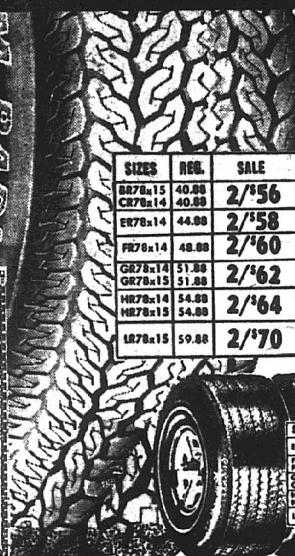

1. Tread life: The tread will wear evenly and last for at least 50,000 miles on properly maintained roads under normal driving conditions.
2. Sidewall cracking: The sidewall will not crack or deteriorate.
3. Retention of shape: The tire will retain its original shape and will not become flat or distorted.
4. Retention of strength: The tire will retain its original strength and will not become weak or brittle.

EXCLUSIONS:

1. Tires used on off-road vehicles, trucks, or heavy machinery.
2. Tires used in racing or other competitive events.
3. Tires damaged by fire, flood, or other natural disasters.
4. Tires damaged by improper use, such as overloading or underinflation.

TERMS:

1. This warranty is void if the tire is not properly maintained.
2. This warranty is void if the tire is not used on a Kmart vehicle.
3. This warranty is void if the tire is not used in the United States.
4. This warranty is void if the tire is not used on a Kmart vehicle.
